

Rules (Abbreviated)

2-Hour Clinic, Student Limit based on Classroom Seating

This clinic will provide training on those rules that seem to cause the most confusion to players, managers, coaches, fans, and umpires.

Appeals	Dead Ball	Infield Fly	Set Position
At Bat	Fair Territory	In Flight	Strike
Ball	Fly Ball	Interference	Strike Zone
Batter	Foul Ball	Line Drive	Tag
Batter-Runner	Foul Territory	Live Ball	Throw
Batter's Box	Foul Tip	Obstruction	Windup Position
Bunt	Illegal Pitch	Pivot Foot	
Catch	Illegally Batted Ball	Retouch	

This clinic can be done on-site or virtually. We prefer to conduct training in-person whenever possible as this allows the students to more easily interact with the instructor staff, and the instructor staff gets a much better feel of how well their instruction is getting across to the students.

Host League Responsibilities

General League Resources: (On-site training)

- Ensure all participants pre-register using the provided clinic registration link prior to the registration deadline. **THIS IS VERY IMPORTANT** as the number of instructors and other resources assigned will depend on how many students will attend.
- Access to restroom facilities for the entire duration of the clinic.
- Cold and room-temperature water for all participants and instructors throughout the clinic.
- At least one member of the host league BOD who is not a student or instructor participating in the clinic shall be onsite for the entire duration of the clinic. This individual must have access to all areas and/or resources that might be needed throughout the clinic. (Concession, equipment, first-aid, etc.)
- Setup/teardown of the classroom.
- BOD member conducts sign-ins on forms provided by D-17 and gives students name tags.

Classroom Requirements:

- Ample seating to accommodate all students and instructors.
- Air conditioning/Heating
- Broadband Internet connection including WiFi credentials
- Power for video projector and instructor laptops

General League Resources: (Virtual Training)

- Ensure all participants pre-register using the provided clinic registration link prior to the registration deadline. **THIS IS VERY IMPORTANT** as the number of instructors and other resources assigned will depend on how many students will attend.
