

## BECOME A VALLEY CENTER LITTLE LEAGUE 2024 SPONSOR!!

---

Dear Sponsor,

Valley Center Little League has been a cornerstone of this community since the late 1970's. Valley Center Little League provides a sense of community and belonging, as players form friendships and bond with their teammates. It also teaches players discipline and self-control, as players must follow rules and work together as a team.

Valley Center Little League is a non-profit organization that operates as an all-volunteer program. This is made possible with the financial support of local businesses, corporate and community sponsors.

Contributions from the community enable hundreds of children from Valley Center and Pauma Valley to play recreational baseball during the Spring and Summer months. These contributions make it so that field lights can be on for evening games, games can have umpires and so that registration fees are kept down. Most importantly your contribution makes sure that all children are able to play baseball and will never be turned away because of a financial hardship.

Sponsoring Valley Center Little League is also a great opportunity to expose your business to hundreds of baseball spectators each week at our ball fields, on our website and via our social media page.

Please consider making a donation of any amount or choosing a sponsor level below. Please take the time to fill out the form and mail back to us.

We look forward to hearing from you!

*Sincerely,*

*Katey Shain*

*Valley Center Little League*
