1. The soccer program provides for competition for girls and boys in five divisions—1A-3A, 4A, 5A, 6A and 7A.
2. Each 1A-2A-3A, 4A, 5A and 7A school is permitted to play a maximum of 20 regular season matches and 6A schools 18 regular season matches. All divisions may participate in two tournaments prior to the state tournament. One of the allowable tournaments must be held with no loss of school time. Other than the two allowable tournaments, a third tournament with no loss of school time may be scheduled with each match played counting as a regular season match.

Each junior high or middle school is permitted to play a maximum of 14 regular season matches and participate in two tournaments. One of the allowable tournaments must be held with no loss of school time. Other than the two allowable tournaments, a third tournament with no loss of school time may be scheduled with each match played counting as a regular season match.

A **tournament** is defined as an organized sport competition that finally results in determining a champion. In soccer, tournaments using elimination and round-robin formats may be sanctioned. Tournaments must involve three or more teams and are usually played at one site.

Each school may play regular season matches until sub-state play begins provided the matches fall within the maximum number allowed.

3. All participants must be eligible under AHSAA rules. Each varsity team is limited to a maximum of 22 players for any contest.
4. In order to qualify for the championship program, each school must play all other schools in its area two regular season matches, 6A no later than April 22 and 1A-3A, 4A, 5A, and 7A no later than April 26. Area matches take precedence over all other matches. All area, sub-state and state tournament matches must be completed and a winner determined.
5. The winner and runner-up of each 6A area will advance to the first of three rounds of sub-state play. The winner and runner-up of each 1A-3A, 4A, 5A and 7A area will advance to the first of two rounds of sub-state play in its division.
6. All regular season and playoff matches will be played under National Federation rules,

including the following:

- (a) All high school varsity matches shall be played in two equal halves of 40 minutes (Rule 7-1-1). All competition below the varsity level shall be played in two equal halves of 35 minutes. By State Adoption, non-section matches may be played in 20-minute halves if both opposing coaches agree prior to the match.
 - (b) The home school should furnish a competent timer and scorer at all contests and may secure a registered official to serve as timer or scorer. The home school timer shall be the official timer. However, by mutual agreement of the coaches, the official time may be kept by the head referee.
 - (c) At least two ball holders shall be provided by the home team. Ball holders are under the direct supervision of the officials. A caution will be administered against the home team if the contest is delayed due to incompetent ball holders.
 - (d) If a match is halted when the officials consider the weather or ground conditions unfit for play, the officials shall resume play as soon as possible. If play cannot be resumed within 30 minutes, the officials may declare the match ended or suspended according to the rules (Rule 7-1-3). If a suspended match is to be completed, play shall be resumed from the point of suspension.
 - (e) In a tie match where a winner must be determined, the Tie-Breaking Procedure under A, Nos. 2-4 in the 2010-11 Soccer Rules Book will be in effect with one modification in No. 2: Two five-minute sudden victory overtime periods will be the only overtime periods used. (This format change has been approved by the National Federation.) There will be five minutes between the end of regulation play and the first overtime, then two minutes between overtime periods.
 - (f) If non-section and non-varsity matches are tied, they may be resolved only by the mutual consent of the participating coaches prior to the start of the matches. The tie-breaking procedure noted in (e) above will be used. (Non-section and non-varsity matches include those involving junior varsity, B-team, junior high and middle school teams.)
 - (g) A 10-goal differential will be used in all regular season, section, sub-state and state tournament matches. A match shall be ended anytime after the end of the first half when one team has gained the 10-goal differential.
 - (h) Shinguards must meet the manufacturer's specifications and not be altered. They should be worn as they are designed to be worn. (Note: Shinguards must meet the NOCSAE specifications.)
 - (i) If visible apparel is worn under shorts, it shall be of a similar length, all alike and of a solid color (Rule 4-1e). One manufacturer's logo/trademark "or reference" is permitted on the outside of each item. (**Note:** Beginning with the 2018-19 school year, the visiting team shall wear solid white jerseys and solid white socks, and the home team shall wear dark jerseys and socks. (Rule 4-1a and 1b).
 - (j) The official timer shall use a visible timing device (stadium clock). When no visible timing means are available, the head referee or center referee shall keep time and score of a match (Rules 6-2-1, 6-2-2 and 5-3-2f).
7. According to National Federation playing rules, the penalty for a red card violation is an ejection. Also, the AHSAA Conduct Rule below is applied when a conduct-related red card violations occurs.

PLAYER CONDUCT RULE: Coaches and players that are ejected from contests in all sports will receive the following penalties:

First Ejection: Minimum \$300 fine. (Athletes can have the fine reduced one time to \$100 if the athlete fined completes the NFHS Captains Course within 10 days of the ejection.)

Second Ejection: Minimum one-game suspension and \$500 fine.

Third Ejection: Minimum suspension for the remainder of the season and \$750 fine.

Note: If an ejection occurs during the final contest of the season, a monetary fine will be placed on the school according to its severity and what number of ejection it is.

8. It is recommended that schools use three AHSAA-registered officials (a referee and two assistant referees) for each match. If necessary, two officials may be used for a match. Please

see officials' fee information on page 155.

9. Forfeit time is 30 minutes after the scheduled starting time. If the host team is notified prior to the scheduled starting time that an emergency situation will delay the visiting team's arrival, the forfeit time may be delayed.
10. A Wilson ball must be used in all matches of championship play (area, sub-state and state tournament matches).
11. An Evaluation Period of five days in a consecutive 10-school day calendar period is permitted any time during the first semester with all students allowed to participate or after the end of their season to the end of the school year.

Area Playoffs

DATES: Each area in 6A must determine its winner and runner-up teams no later than April 22, each 1A-3A, 4A, 5A and 7A area its winner and runner-up no later than April 26.

COORDINATOR'S RESPONSIBILITIES: The designated coordinator of each area/section must have an organizational meeting of all participating area/section schools before Feb. 1 to finalize details of area/section play, including scheduling and establishing a procedure for making up or completing rained-out or suspended matches. Area/section matches take precedence over all other matches.

FORMAT: Each team in an area must play each area opponent two regular season matches (one at each school's site) no later than April 22 (6A) and April 26 (1A-3A, 4A, 5A and 7A) in order to qualify for the state playoffs. The winner and runner-up teams in 1A-3A, 4A-5A, 6A and 7A will represent the area in the first sub-state round. Standings are based on the win-loss percentage against qualifying area opponents.

If a team plays another team in its area more than twice, only the first regular season match at each site will count in determining area winning percentage.

A Wilson ball must be used in all area matches.

The starting times for matches played at home sites will be 5 p.m. for girls and 7 p.m. for boys if opposing coaches cannot agree on other times.

All playoff matches will have a multiple day window to play the game as long as both schools agree. Saturday games may be played on Thursday, Friday, or Saturday with the default day being Saturday. Tuesday's scheduled games may be played on Monday or Tuesday with the default day being Tuesday.

TIE-BREAKING FACTORS

If there is a percentage tie by two or more teams for the area/section championship, apply the following tie-breaking factors in the order listed, beginning with (a) or (h) as determined by the number of teams in the tie. If a certain tie-breaking factor does not apply to the tie being resolved, apply the next factor in the order listed.

Determine the highest-ranked team first, then apply the same tie-breakers to determine the next ranked team.

(NOTE: One goal is added to the winning team's score in an overtime match.)

Contests against teams that are not eligible for the championship program and contests in regular season tournaments are not used in figuring any tiebreakers.

Two-Team Tie

- (a) Head to head play in the two regular season area matches.
- (b) Goal differential in the two regular season area matches (up to a 4-goal differential per match). (Note: Goal differential is defined as margin of victory, the difference in the two final scores of the two teams involved.)
- (c) Goal differential against all area opponents during regular season matches (up to 4-goal differential per match).
- (d) Least number of goals given up against all area opponents during regular season matches.
- (e) Most goals scored against all area opponents during regular season matches (up to 4-goal differential per match).
- (f) Goal differential against the No. 3 area team in the two regular season area matches (up to 4-goal differential per match). If the teams remain tied, use the same goal differential against the other area teams, in order of finish, 4th, 5th, etc.
- (g) By coin flip.

Three or More Teams Tie

- (h) Highest percentage against all other tied teams during regular season area play. If one of the teams does not have a higher percentage against all the other tied teams during the regular season area play, the tie cannot be resolved by this factor. Then, the next factor will be applied to all the teams involved in the tie.
- (i) Goal differential against all other tied teams in the regular season area matches (up to a 4-goal differential per match). If two teams tie under this factor ahead of all other teams

involved in the tie, the champion will be determined by applying the two-team factors for these two teams, beginning with (a).

If more than two teams remained tied under this factor, the champion cannot be determined by this factor. Then the next factor will be applied to all teams involved in the tie.

- (j) Goal differential against all area opponents during regular season area matches (up to 4-goal differential per match). If two teams tie under this factor ahead of all other teams involved in the tie, the champion will be determined by applying the two-team factors for these two teams, beginning with (a).

If more than two teams remained tied under this factor, the champion cannot be determined by this factor. Then the next factor will be applied to all teams involved in the tie.

- (k) Least number of goals given up against all other tied teams during regular season area matches. If two teams tie under this factor ahead of all other teams involved in the tie, the champion will be determined by applying the two-team factors for these two teams, beginning with (a).

If more than two teams remained tied under this factor, the champion cannot be determined by this factor. Then the next factor will be applied to all teams involved in the tie.

- (l) Least number of goals given up against all area opponents during regular season area matches. If two teams tie under this factor ahead of all other teams involved in the tie, the champion will be determined by applying the two-team factors for these two teams, beginning with (a).

If more than two teams remained tied under this factor, the champion cannot be determined by this factor. Then the next factor will be applied to all teams involved in the tie.

- (m) Goal differential against the No. 3 area team in the regular season area matches (up to 4-goal differential per match. If the teams remain tied, use the same goal differential against the other section teams, in order of finish, 4th, 5th, etc.

If more than two teams remained tied under this factor, the champion cannot be determined by this factor. Then the next factor will be applied to all teams involved in the tie.

- (n) By drawing out of a hat.
