

Timberland JR. Wolves Football

A not-for-profit
organization

*Become a part
of our
Pack!!!*

On behalf of everyone involved in the Timberland Jr. Wolves Football Club, we would like to ask you to consider offering a tax-deductible donation to our youth football program.

Our fully volunteer-based football program includes young members from our Wentzville society in 2nd through 8th grade, as well as highly skilled volunteer coaches and dedicated parents. Our guiding principles in our program:

- **Leadership**
- **Respect**
- **Sportsmanship**

These are skills that are taught to strengthen players both on and off the field. Our program offers an opportunity to participate in tackle and flag football, alpha leadership training, high school training camp and community service events.

Safety is a top priority in our program. Your monetary support will help us to provide:

- **Safe and up to date gear**
- **Appropriate playing fields**
- **Training equipment** used year-round

By making a tax-deductible donation to the Timberland Junior Wolves football program, you become an important part of our “**pack**” who offers a strong, safe and successful program for our community now and in the future.

Please consider sponsoring us through one of our community packages. Your sponsorship will reach over 200 dedicated families who want to support those who support their kids. Your company will be promoted in the group of sponsors AND individually promoted 3-4 times per session (based on level):
