

“CLASS ATHLETE: WHERE IT IS OUR PRIVILEGE HELPING PARENTS, TEACHERS AND COACHES RAISE GOOD KIDS.”

“

The growth is amazing, I am very proud to be a part of Class Athlete and I am very happy to see so many kids in this league playing sports instead of hanging out on the streets getting in trouble. If it wasn't for people like the Class Athlete staff who dedicate so much time to help all of our children and giving them a place to play, there is no telling what they would be doing instead. We should all feel grateful.

OUR MISSION STATEMENT

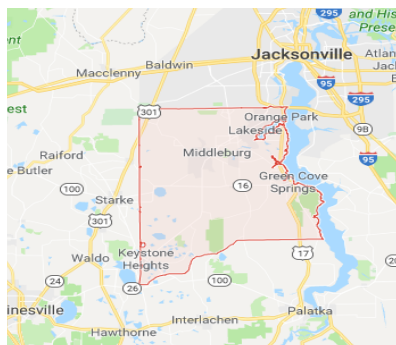

“WHERE IT IS OUR PRIVILEGE HELPING PARENTS, TEACHERS AND COACHES RAISE GOOD KIDS.”

Class Athlete is an organization that is strong in its principles: academics before athletics, fun before winning and teamwork before yourself. Our goal is to use the athletics to teach each of our athletes about the importance of excelling in the classroom, giving back to their community and respecting everyone around them. To accomplish this, we want to build our own community that allows us to give back on an everyday basis, where Class Athlete is a family all by itself. There is no success without family to share it with.

OUR GROWTH PATTERN

Class Athlete has seen consistent growth over the past eight years, launching the organization with less than 60 student athletes in 2008 and growing to more than 4,500 student athletes. Our biggest season continues to be the Spring, with Winter gaining steam over the past two years.

WHERE DO OUR ATHLETES COME FROM?

Initially, our focus was in the 5-mile radius around Red Bug Lake Park in Casselberry, but have quickly branched out to all of Jacksonville and Orlando, Florida. The rapid expansion of our youth sports across Northeast Florida has provided great opportunities for our players and families.

Our logistics

WHAT WE OFFER ATHLETES
