- **What school district does your child attend?** Please provide your child's current school district. Chances are it will be either Northern Lebanon or Cornwall-Lebanon.
- **What part of the league would you like your child to play in?** This will typically match your child's school district. If you are unsure, please select the same option as your child's school district. The difference between the two options is Northern Lebanon players will practice and play home games in the Northern Lebanon area and Cornwall-Lebanon players will practice and play home games in the Cornwall-Lebanon area. Again, if you are unsure select your child's current school district in this option.
- **Player Shirt Size** – Please provide an accurate shirt size for your child as this will be used when ordering uniforms.
- **Please provide your child's preferred uniform number:** - Please provide your child's preferred number that they would like on their uniform. This is not guaranteed, but we try our best to give them the number they desire.
- **Please provide an alternate uniform number:** - Please provide a secondary number that your child would prefer on their uniform. Again, this is not a guarantee, but by providing two numbers we do our best to try and provide every child with at least one of their numbers.
- Once you have completed all information for each child associated in your account, click **Continue**.
- If you have any interest in volunteering, please **Select** either of the positions, Head Coach or Assistant Coach and follow the on screen prompts. Otherwise, you can click **Skip**.
- If desired, you may purchase gear from the NLLL SportsConnect store, otherwise click **Skip**.
- Validate everything looks correct on the order summary page, once you have confirmed, click **Continue**.
- Complete the checkout form and click **Submit Order**. If you leave the **Send Email Confirmation** checkbox checked, **Figure 5**, you will receive a confirmation email.
