

February 3, 2026

Greetings from Ashland Youth Baseball and Softball!

We hope this note finds you well and that your New Year is off to a wonderful start. As you can imagine, we at AYBS have already been hard at work since the final outs were made in the 2025 season, getting ready for Opening Day in 2026. At the core of all this work is **our mission to provide Ashland kids with an amazing baseball and softball experience**, and to also **teach our players valuable life skills that will help them grow for years to come**.

As a non-profit organization operated solely by volunteers, we rely heavily on the support of our sponsors to help us carry this mission forward while making a lasting impact on our youth athletes. The registration fees charged to play in our leagues do not even cover the operating costs (landscaping, field rentals, uniforms, insurance, etc.) to run our organization, which is why our fundraising efforts are critical to ensure we provide a great playing experience to our kids. In addition to helping with operations, our fundraising efforts fund critical investments into new protective equipment, facility maintenance and essential improvements.

Some recent examples of these improvements include replacing and repairing bleachers, fence and screen improvements, new bullpen mounds, dugout trim and structural repairs, as well as handmade helmet cubbies on all four fields at Gryncel Park. We have also been hard at work adding similar helmet cubbies and improvements at the Warren School softball fields. As we look to the future, other projects of note that we are looking to accomplish this year include updated batting cages at Warren School, batting cage nets at Gryncel, improvements to utilize both the Middle and Mindess fields for all of our programs.

These past and future projects would not be possible without the generous support of our sponsors, and that is why we are reaching out to you. We humbly ask that you consider sponsoring AYBS in the coming year to help us accomplish these projects. The enclosed form details various levels of sponsorship along with offerings to showcase your brand to the hundreds of AYBS families and fans, as well as almost a dozen surrounding towns during the Ashland-hosted, Sparkler tournament. We hope you will find one suitable, or you can choose any sponsorship amount that will work for you.

We thank you in advance for your consideration and sincerely hope we can add you to our list of supporters.

If you have any questions, please do not hesitate to reach out to our Vice President of Development, Andrew Larracey. He can be reached at [developmentvp@aybsonline.org](mailto:developmentvp@aybsonline.org) or at (781)454-6515

We are incredibly thankful for your support and hope to see you at Gryncel Park or Warren School for a game this spring!
