Dear Fellow Community Supporter,

On behalf of the 2021-22 Illinois Hawks, I'd like to thank you for taking the time to consider supporting our youth program located in the southwest suburbs of Chicago, with our home training base in Aurora. Illinois Hawks Baseball and Illinois Hawks Fastpitch are looking for partners to help provide talented young men and women with training, competition, and personal development. We are an organization made up of hundreds of families from all over Chicagoland, and our teams appear in games and tournaments all around the nation; this year, we will field teams ranging in age from 9 to 18U.

Your sponsorship would allow us to continue to operate and grow while offering more players the opportunity to participate, help defray fees and travel costs, and to be able to participate in a greater number of athletic and community events.

Would you consider partnering with us? For a donation of \$250, we will include your organization's provided link and logo on our website; for \$500 or more we will also hang a banner you provide at our training facility (please contact us for specifics); and for \$1,000 or more we will also include you as a featured sponsor on our site. These banners will hang for a full year and can be renewed with yearly sponsorships.

Thanks for your consideration. We hope you'll join with us as we help develop the youth of today into the leaders of tomorrow.

Sincerely,

A handwritten signature in black ink that reads "Ben".
