

I am going to play soccer.

This is the field I will play soccer on.

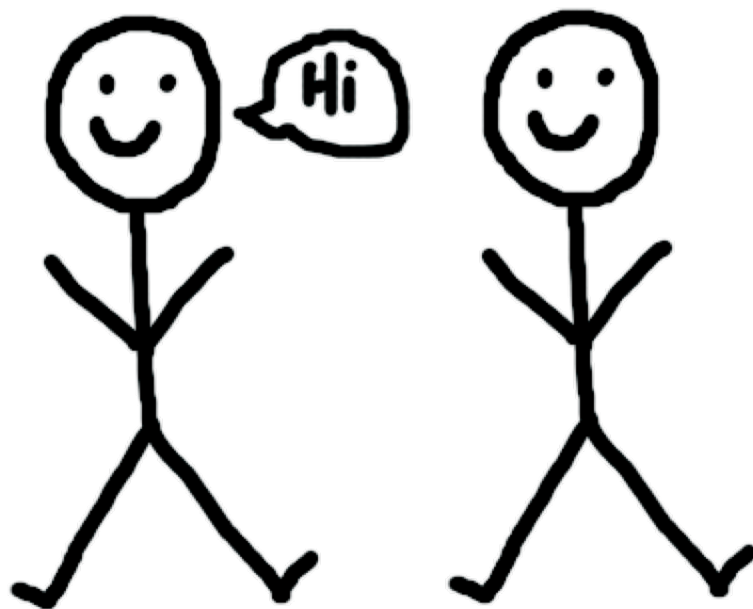

This is a picture of one of the soccer balls.

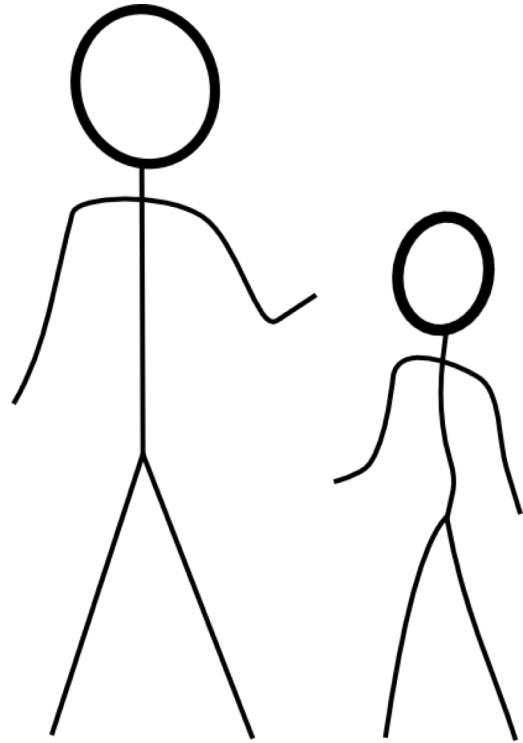

This is my soccer coach.

When I get to the soccer field, my buddy greets me. I usually have the same buddy, but sometimes I have a different buddy.

My buddy is there to help me when I need help. If I need water, I can tell my buddy. If I need to rest, I can tell my buddy.

My buddy and I pass the ball to one another with our feet until it is time to warm up.

My coach will call me and my buddy in when practice starts and we will warm up.

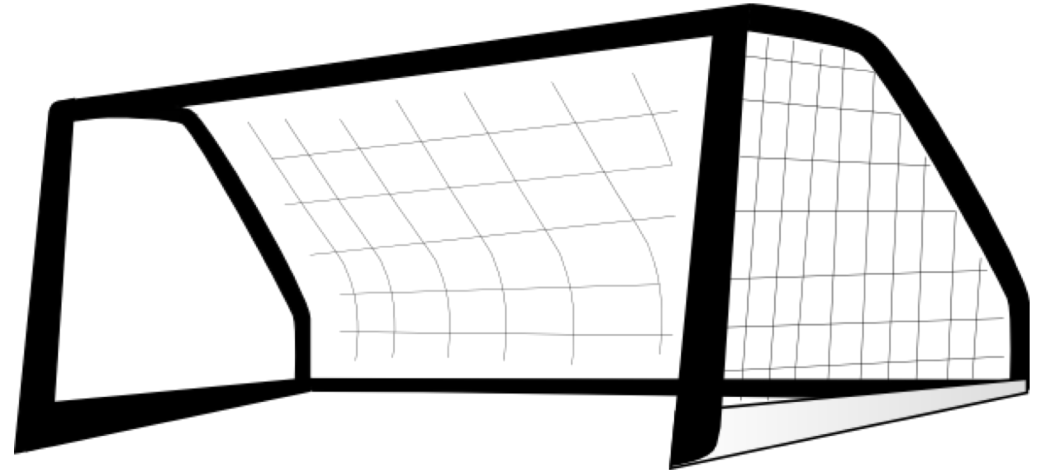

After we warm up, my buddy and I will play some games to help me improve my soccer skills.

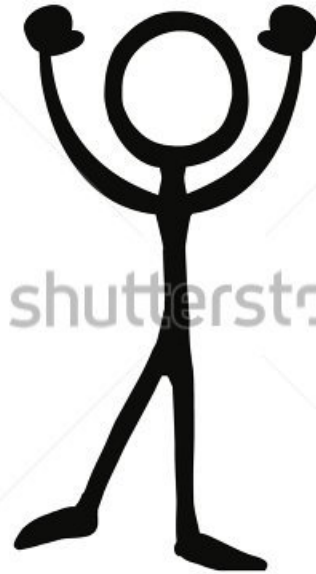

Next, I will play a soccer game against other soccer players. I use my feet when I play in the soccer game.

I dribble the ball down the field and score a goal!

When other players score a goal, I cheer for them.

After the game, we run through a tunnel the buddies make and celebrate with all the athletes and buddies.
