FC Dallas Tri-Cities announces new Director of Coaching

FC Dallas Tri-Cities (FCD Tri) board of directors announces the appointment of Matt Barry as Interim Director of Coaching for the Club.

Barry is the former South Carolina United FC coach and current FCD Tri events director and staff coach. He is replacing George Sasvari, who resigned following two years of service as the Director of Coaching.

The club would like to thank Coach Sasvari for his tireless effort and dedication to growing soccer at FC Dallas TRI. George's love of the game and passion for growing footballers was witnessed by the many lives he impacted over the last two years.

During this interim period, FCD Tri plans to hold true to our vision and mission to "develop kids into footballers". Matt Barry embodies this culture of excellence and is committed to our players, coaches, and our community.
