TEAM FORMATION

Data Breakdown:

- Breakdown the list of registered players into separate lists for Baseball and Softball
- Breakdown the player by League Age
- Identify the “Titled players” for each Major League Team/ returning majors (Do Not Need to tryout)
- Released Players: players may only be released with Board Approval (Normally Player / Parent requested)
- Identify any Major league players that were Released and need notification to tryouts

Team Numbers:

BOD with Data from PA determines the Number of Teams in each Division

Majors/50-70 Intermediate/Juniors/ Seniors

- No less than 12 players are to be drafted to a team
- No more than 15 players are to be drafted to a team
- All teams must be equal in number
- A waiver must be submitted for unequal teams in the event it occurs

Minors and Below:

- There are no minimums or maximums for Minors and Tee Ball

Player Agent

TEAM FORMATION

Tryout's:

- The PA generates the player list and rating system / sheets
 - Rating system should be full numbers only (1-5)
- Provide a copy to each manager
 - Completed sheets turned into PA at end of day and remain with the PA until end of year
- The PA coordinates / conducts the tryouts
- Tryouts should test all 5 Skill Areas
 - Bat/bunt, fielding fly balls, ground balls, Throw and Run
- To be eligible for the Draft the player must attend 50% of the Tryout Sessions

Player Drafts:

The PA conducts the draft

- The PA determines who will attend the draft – not the BOD
- It is recommended the Secretary attend the draft to assist recording the transactions
- Managers only attend the draft
- Secrecy – players shall never be told the position in which they were drafted
- No cell phones

Documents and approved player trades – and submit for BOD approval

- Managers may trade player up to 14 days after the first scheduled game.

Establish Final Waiting List

- Waiting Lists are not recommended by LL. Late registrations however can be placed on a waiting list. 11 and 12 yr olds can be placed on an intermediate team.

Player Agent

DRAFT METHODS

Player Drafts:

- BOD determines the Draft Method
 - Must be a Little League Approved Method
- Three Options
 - Plan A
 - Plan B
 - Plan C

Plan A:

- Players return to the same team as the year before.
- Last place team selects first, first place team last and ALL rounds follow that order.
- No more than 8 players in any given age group.
- The league may limit the number of lower age levels. Example – 2 10 year olds per team.
- Bonus Picks – Teams requiring more than 8 picks in the draft will have a bonus round AFTER the 4th round. If more than one team needs the bonus round, the order will be the same as that being followed in the draft.

Player Agent

DRAFT METHODS

Plan B:

Re-Draft (Draft is done in 2 parts)

Part One

- All the returning players from the previous year are drafted first.

Part Two

- The players who tried out and who are eligible for the major division draft. (recommend to draft 12 yo first)

The draft is done in a reverse order method with last place team first in the first round and first place team last.

- >>>>> Round 1 – 5-4-3-2-1
- >>>>> Round 2 – 1-2-3-4-5

Plan C:

Blind Draft

- Decide how many Major teams will operate for the season
- Managers assigned team number
- Divide the number of 12 year olds into 8 – this is the number allowed for each team and placed in container for drawing
- Players are placed in their own container by each league age
- Players are drawn and placed on team roster based on the team number order – Majors MUST be completed first

Player Agent

DRAFT METHODS

Options for Managers:

Managers Must Pre-Identify Options

- Four player draft options
 - Brother/Sister in the Draft
 - Brother/Sister of Players Currently on a team
 - Son/Daughter of Managers
 - Son/Daughter of Coaches – No new coach can be appointed till after the draft
- Options must be in writing to the PA 48 hours before the drafts

NO GENTLEMEN'S AGREEMENTS!

LATE REGISTRATION & PLAYER DATA

- **BOD decides on how to handle Late Sign-ups (After Draft / Waiting List)**
- **Review Player Data for Accuracy**
 - Submit Via Data Center to Williamsport, PA – via electronic submission only (Blue Sombrero submits automatically)
 - Raw data submitted by April 1st or by the first scheduled game (best to submit data as they sign up)
 - Please Notify DA after Submission
 - Amendments need to be sent in regularly (late registrations and Senior players, etc)

Player Agent

PLAYER POOL

Reg V:C Alternate Method of Operation

A pool of players from existing regular season teams can be created with players that are willing to participate in extra games during the regular season when teams are faced with a shortage of rostered players for a regular season game.

What does it Mean?

1. Every regular season player is entitled to be a Pool Player if he/she wants.
2. Pool players can only be used when a team has a “shortage” of players (if a team already has 10 or 11 players for a game, they shouldn’t be assigned any Pool players).

Guidelines

The Player Agent will create and run the Pool Player Pool!

The Player Agent will use the pool to assign players on a “rotating basis” to specific games when teams are short players.

Managers/Coaches MAY NOT pick/ choose players from the pool to play for them in any game/games.

Managers/Coaches using Pool Players NOT Assigned by the Player Agent could be subject to Disciplinary Action by the BOD

Player Agent

PLAYER TRANSACTIONS

Player Transactions:

Maintain the Player List and All player records

Once rosters are set and the season starts, the PA is responsible for monitoring the number of players on each team and coordinating player replacements

All player replacements must be coordinated by the PA – not the affected manager or BOD

The Manager will notify the PA of the need for a replacement player

- If there is a waiting list, the next player shall be assigned. The PA will coordinate the effort (ensuring all age limits / requirements are followed)
- A Manager may request a Minor player be “called-up” if there is no Major Player on the waiting list

Player Agent

TOURNAMENT SECTION

The PA will oversee the Selection of All Star Players in Accordance with Local League Rules

- Assure the selection is fair to All Players

The PA will complete the All Star Team Eligibility Affidavit

- Including Verification of Documents from Each Player
 - League Age
 - Residence (At Least 3 of the Proof must be between Feb 1st 2021 – Feb 1st 2022) or School Enrollment form dated prior to Oct 1, 2021 or Previous years tournament eligibility form intact.
 - Game Participation – 60% participation
 - Combined play forms previously submitted and approved.

Approved ruling for prior year tournament eligibility forms:

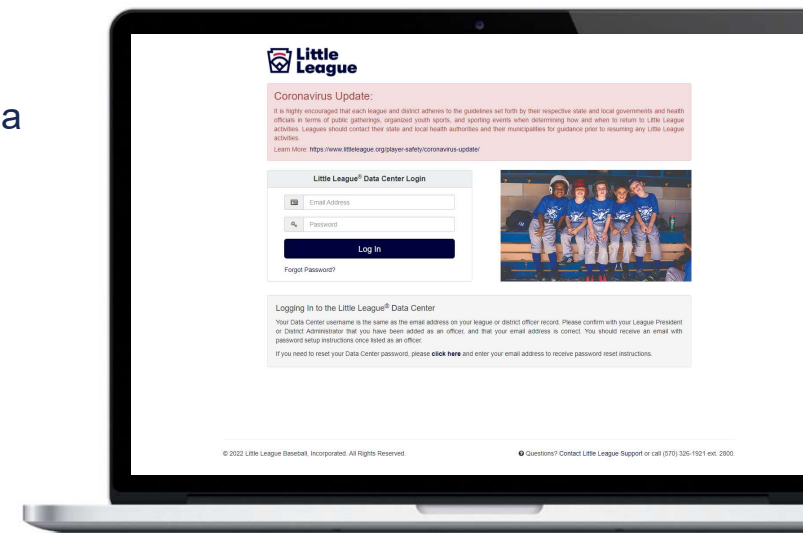

NOTE: Example – Three documents from the same Group (utility bill, cable bill, and bank statement) constitute only ONE document.

Be aware that players who established “residence” or “school attendance” for regular season and/or tournament eligibility prior to the 2016-2017 season by using the Tournament Player Verification form, and who can produce the form with proper proofs and signatures from the first year that the Tournament Player Verification form was used for that player, will be grandfathered and will NOT need to complete a new Tournament Player Verification Form.

In preparation for the 2022 Little League International Tournament, local leagues are to be aware that tournament Eligibility Affidavit will this year require all tournament teams to complete and carry a Tournament Player Verification form for every rostered player.
