

Drexel Hill Little League / UDHL Baseball Sponsorship Program

Since 1952, Drexel Hill Little League (DHLL) has provided the youth of our community (ages 4-12) with a safe place to learn the great game of baseball and softball. Drexel Hill Little League continues to grow and is one of the largest organizations chartered under Little League International. As a combined organization with UDHL, which provides baseball for young men 13 years old and up, we proudly serve approximately 1,000 children from 600 families in our community through our Baseball, Softball and Challenger divisions. As an all-volunteer league, we rely on you, the leaders of our community, to help shape our youth. Our success has been made possible through the generosity of people just like you!
