I understand that as a sponsor of Palm Springs Youth League that I am providing funds intended for the use of the betterment of the PSYL organization as a whole and that PSYL reserves the right to spend those funds at the discretion of the Board of Directors of PSYL. I understand that while PSYL may be fundraising for a specific project or program that the Board reserves the right to divert funds from that project as the Board see fit for the preservation or betterment of the organization as a whole.

If I participated in a specific funding project or program with PSYL, and more funds are raised than needed for that project or program, I understand that I am not entitled to a refund in part or in whole. I understand that excess funds raised may be moved to the PSYL's general operating funds or other to programs and projects within the PSYL organization at the sole discretion of the Board of Directors of PSYL.

If I have elected to participate in a program that provides me or my company with advertising or public exposure (media), it is incumbent upon me and/or my company to provide PSYL with the appropriate artistic/graphic files needed to complete the media project. If I/we fail to do provide those files, PSYL may, at its discretion, either substitute other graphics/text or suspend the media project until such time as the appropriate files are supplied to PSYL. If the media is not produced due to the lack of appropriate files being provided, I understand that I am not entitled to a refund in whole or in part.

I further understand that PSYL reserves the right to use the sponsor's graphics, likeness, name, company name and other references to the relationship between PSYL and the sponsor in print or digital media, on PSYL's website, Facebook or other internet destination, at PSYL's discretion, unless I request anonymity in advance of supplying payment and by indicating so on this form. It is the intent of PSYL to build lasting and satisfying relationships with our sponsors, supporter or advertisers. I understand that it is incumbent upon me to communicate any needs, or dissatisfaction with the Board, rather than discussing it outside the relationship between PSYL and the sponsor.
