Attention Cranston East Little League Families! Buy Gift Cards and earn money for CELL!

Shop from home! Cranston East Little League is using a scrip gift card program for holiday shopping! A scrip program is a way to earn money for the league by simply planning ahead! No need to sell anything or buy useless knick knacks! Just purchase gift cards and a percentage of each card is earned for the league! Purchase cards to go Christmas shopping, or for Christmas gifts! Ask your relatives if they want to make shopping easier as well! If you don't want to shop, purchase gift cards for what you already need and buy...groceries, gas, clothing, restaurants and more!!!

Orders are due 11/27/18. Pick up your cards at O'Rourke's on 12/12/18 from 6-8 p.m. or other arrangements can be made for pickup or delivery.
