

# Cranston East Little League

2020

Dear Prospective CELL Sponsor,

We are excited to be entering into our fourth year as Cranston East Little League, and building on a very successful third second season in which a total of 28 teams participated with over 330 players ranging from 4 to 16 years of age!

CELL is a chartered non-profit Little League Baseball organization that provides an exciting youth baseball experience while teaching important life skills such as: sportsmanship, respect, fair play, and teamwork. CELL provides this fundamental service to our community at an affordable rate, but as with all non-profit organizations, financial support from the community is essential.

We are currently offering sponsorship opportunities to help us deliver a quality sports program for these children. Your sponsorship will go towards team uniforms, equipment, hats, balls, and umpire fees. For returning sponsors that fee will also include an outfield sign with your company's logo; when you submit the sponsorship form please attach your company's logo and we will place it on your sign. Those sponsorship dollars will also be allocated for needed improvements to our seven baseball fields as well as our three concession stands. Each sponsor will have advertising on our CELL website to include sponsor information and logo, and will receive a team plaque at our year-end banquet.

If you have a child, relative, or friend that is participating in one of our programs and would like to sponsor his or her particular team, or if you would like to sponsor a specific division, we will make every effort to honor that request on a first come/ first serve basis.

To those who sponsored CELL last year and have been loyal sponsor partners over the years with our respective former leagues (Cranston National, Cranston American and Edgewood South Elmwood) THANK YOU!! Our merger three years ago could not have been successful without your support, and we hope that you continue to provide that needed support to CELL this upcoming season!
