It is a great time to play ball! With the growth of Little League baseball in Chico, the well-being of these programs must rely on community support. It is in this spirit that we ask you to be a part of our Outfield Banner or Scoreboard Sponsorship in Chico Central Little League during the 2023 season.

Each season, there are a number of expenses, large and small, that make a Little League program operate. Uniforms, baseballs, caps, bats, umpire costs, and field maintenance are just a few of the many items that are purchased every year which are vital to the player. Although each player must pay a registration fee, that amount alone will not cover the expenses that a league incurs during the season. Outside help is always necessary. Your support, along with other community contributions, can help all our youth enjoy a safe and healthy playing experience.

Each of these sponsorships is tax deductible. Please review the options below and circle the level that you are able to sponsor. **Sponsorships must be received before March 10, 2023 in order to be on the Snack Bar Banner.**

If you have any questions, please contact [fundraising@chicocentral.org](mailto:fundraising@chicocentral.org) Thank you for your support!
