

Newspaper Article Schedule 2018 Season

Greetings Team Parents & Managers: Submitting a game article to the local Lititz paper is a great way to keep the community aware of the local teams in WLL. It is a chance to have every player get their name printed in the paper and be a baseball "sports star". This reporting is also a way for our local businesses to show their commitment to the WLL players and program by being recognized as a team sponsor.

Please use the WLL media form as a guide when you send articles in to the paper. Feel free to adapt the information for your level of play. If you can report on both teams, that's great, if not, be sure to at least include the opposing team with coach name and sponsor/league in the story. We're looking for a "feel good" story to share with the community about the WLL players.

Please e-mail the articles to Bruce Morgan at: bmorgan.eph@lnpnews.com
& Jenn Buch warwickll.info@gmail.com

Giving Bruce an inning-by-inning, blow-by-blow account is too much to be edited and published. Try to be concise as much as possible. If your assigned game is rained out or postponed, just report on the make up game. Thank you!

Deadline for Article is MIDNIGHT the Sunday night AFTER your game. If your game is rained out, just report on your make up game, or your next game.
