

Warwick Little League Media Form

Have fun with the article and adapt the wording as needed for the younger players!! Make it as detailed or as simple as you want. There are no “rules” except keep it short for the paper & use the team sponsor as the Team Name. Even a paragraph recap of only your team works too, just be sure to include everyone on your team. Send your game details to Bruce Morgan bmorgan.eph@lnpnews.com AND copy me, Jenn Buch (warwickll.info@gmail.com).

If your assigned game is rained out, just report on the next one.
