

PRESENTS THE
Noah Pollock Youth Football Scholarship

The Keystone Bills Youth Football organization in partnership with D1 Tampa is proud to announce the Recipient of the Noah Pollock Football Scholarship:

Bryce Waters
Super Midget Football

Bryce had outstanding letters of recommendation and a great hand-written letter from himself. He even came and turned the application in-person (with his mother of course) and was an impressive young man.
— The D1 Tampa Team

This scholarship was established to honor the family and memory of one of our fallen teammates. The athletes interested in playing football in Hillsboro County who applied were between the ages of 7-13 and were required to submit an application including a one page paper summary describing their accomplishments including a letter of recommendation. The applicants were judged on the following criteria:

- Community involvement
- Leadership & Sportsmanship Qualities
- Academic Achievement

Thank you to Coach Taylor & Kay Scott the owners of D1 Tampa for always stepping up to support our youth athletes!
