Season outline

Focus on Individual Development

- Our definition of development focuses on the *success* of each person as a whole.
- We aim to develop our players' love of the sport, and in doing so increase their soccer specific skills and knowledge.
- We aim to develop our players' love of the club, the team, and themselves, and in doing so build their character with respect, responsibility and integrity.

A Club built on Success

- Successful *People* lead to Successful *Players*, and Successful *Players* lead to Successful *Teams*.

Club Philosophy
