Western Region San Jose National Little League

"Where Safety comes First"
San Jose National Little League
2022 Safety Plan

League ID #: 4055902

Safety Mission Statement

San Jose National Little League (SJNLL) is a non-profit organization run by volunteers whose mission is to provide an opportunity for our community's children to learn the game of baseball in a safe and friendly environment.

2022 Board of Directors

Requirement 1:

2022 San Jose National Little League Board Member List

<u>Name</u>	<u>Title</u>	Email
Martie Wynn Larsen	President	info@sjnll.org
OPEN	Vice President	
Khatrina Garcia	Secretary	
Jeanette DeHonestis	Treasurer	treasurer@sjnll.org

Tony Casarez	Field Scheduling Coordinator	info@sjnll.org
Danny Casarez	Equipment & Inventory	casard408@gmail.com
OPEN	Uniforms Coordinator	
OPEN	Team Parent Coordinator	

Distribution of Safety Manual

Requirement 2:

San Jose National Little League will publish and distribute a copy to all board members, teams, coaches and other key volunteers. A copy to be kept in the league file, in the concession stand and copies will be made available to anyone who requests a copy. A copy sent to District 59 and another sent to Little League International.

EMERGENCY PHONE NUMBERS

Requirement 3:

Police/Fire/Medical Emergencies 911 or (408) 277-8911 Non-Emergency 311 or (408) 277-8900

Santa Clara County Health District https://publichealth.sccgov.org/home

Animal Control (408) 794-7297 City of San Jose (408) 535-3500

The Safety Officers for San Jose National Little League are Carlos and Melissa Murillo. Please notify them at (408) 206-1914 OR (408) 206-7030.

Additionally, contact the following personnel:

o League President: Martie Wynn Larsen (408) 693-1366

o League Vice President: OPEN

The procedure for an incident / accident requires the following steps to be taken:

- 1. Get player proper medical attention required for incident/accident
- 2. Incident report to be filled out by the manager/coach and sent to the league safety officer within 48 hours.
- 3. Safety Officer to review the incident report with the Manager/Coach for correctness and all information included.
- 4. The Safety Officer needs to call / follow up with the player's parent(s) within a couple of days.
- 5. This process should be repeated until the player is fully healed.
- 6. A determination is then made whether the player can return to the team.
- 7. If further medical attention is needed the Safety Officer is to help with whatever is needed.

NAME: Santa Clara Valley Medical Center

ADDRESS:751 Bascom Ave, San Jose Ca 95128

PHONE NUMBER: (408) 885-5000

Requirement 3: COVID-19 Guidelines

Note that the following is intended to ensure San Jose National Little League's compliance with Federal, State and County health guidelines regarding the mitigation of spread of the novel coronavirus (COVID 19). Pursuant to the Santa Clara County Emergency Operations Center, Santa Clara County is aligned with the State on all guidance for youth. Should those guidelines change after the publishing of the following League guidelines, the Federal, State and County health directives will take precedence over the following:

Self-Monitoring and Quarantine/Isolation

All individuals should measure their body temperature to ensure that no fever is present prior to participating or attending each Little League activity. Anyone with symptoms of fever, cough, or worsening respiratory symptoms, or any known exposure to, or close contact with, a person with COVID-19 should not attend any Little League activity until cleared by a medical professional. For information regarding the definition of "known exposure" or "close contact", please consult the Centers for Disease Control at www.cdc.gov.

Wash your hands thoroughly and often

Watch your distance. Keep a minimum of 6 ft from those outside your household. Wear a mask or face covering in the dugout unless a minimum of 6 ft distance is maintained.

On Field Guidance

At this time, Coaches and Players are to wear masks while in the dugout and while in a team huddle. Batters and base runners are to wear masks during official SJNLL home games. Close contact celebrations with the opposing team should be avoided. Maintain healthy practices such as refraining from handshakes and high fives. When playing an away game, all SJNLL Coaches, players and volunteers must adhere to the home team's COVID-19 Guidelines.

Facility, Fan, and Administrative Guidance

It is the responsibility of both teams to clean and disinfect frequently touched surfaces daily and in between all facility uses, including practices and games. Family and friends should refrain from entering dugouts. All spectators should adhere to the self-monitoring guidance above.

These guidelines are subject to change.

STAY SAFE ON AND OFF THE FIELD

Stay home if you are sick.

Bring your own equipment and gear (if possible)

Cover your coughs and sneezes with a tissue or your elbow.

Wash your hands or use sanitizer before and after events and sharing equipment.

Tell a coach or staff member if you don't feel well.

cdc.gov/coronavirus

DO choose masks that

Have two or more layers of washable, breathable fabric

Completely cover your nose, mouth, and chin.

Fit snugly against the sides of your face and don't have gaps

DO NOT choose masks that

Are made of fabric that makes it hard to breathe, for example, vinyl

Have exhalation valves or vents which allow virus particles to escape

Not recommended: Evaluation of face shields is ongoing, but effectiveness is unknown at this time.

Background Checks

Requirement 4:

Little League International has established criteria for each chartered league's performance of an investigation into the background of all individuals who volunteer in any capacity. Each volunteer will be required to complete a volunteer application from and provide a copy of their government issued photo identification. The minimum requirement for these background investigations is verification that volunteers are not registered sex offenders. To provide additional protection to the children we will submit a list of all volunteers to JDP. A background investigation that will list any convictions nationwide will be completed. Upon clearance of individual background investigations all volunteers will be notified by The Board of Directors.

Address:

Little League Volunteer Application - 2021

Do not use forms from past years. Use extra paper to complete if additional space is required.

This volunteer application should only be used if a league is manually entering information into JDP or an outside background check provider that meets the standards of Little League Regulations 1 (c)9. THIS FORM SHOULD NOT BE COMPLETED IF A LEAGUE IS UTILIZING THE JDP QUICKAPP. Visit LittleLeague.org/localBGcheck for more information.

A COPY OF VALID GOVERNMENT ISSUED PHOTO IDENTIFICATION MUST BE <u>ATTACHED</u> TO COMPLETE THIS APPLICATION.

League Training Dates and Times

Requirement 5:	Date	Location	Time
Coach Fundamental Training:	TBD	Via Zoom	TBD

Requirement 6:	Date	Location	Time
Safety Manual & First-Aid Training:	2/2/22	Via Zoom	6pm

Each team will receive a paper copy of this safety manual. Managers and or Team Safety Officers should have a copy of the safety manual at all league functions.

Field Inspections and Storage Procedures

Requirement 7:

BERORE THE SEASON STARTS

- ✓ Familiarize yourself with the safety materials.
- ✓ Appoint a Safety Parent for your team. They need to be at all the games and have a cellular phone. It can be an Assistant Coach.

PRIOR TO EACH GAME

- ✓ Complete a field safety checklist. Report any problems to your Commissioner. Or to the League Safety Officer.
- ✓ Check the team equipment for any problems. Report any equipment problems to the Equipment Manager.
- ✓ Check the contents in your team's first aid kit. Contact the League Safety Officer for any items that need to be replaced.

STORAGE SHED

The following applies to the entire storage shed used by the League and applies to anyone who has been issued a key to use those sheds.

- ✓ All individuals are aware of their responsibility for the orderly and safe storage of rakes, shovels, and bases.
- ▶ Before you use any equipment located in the shed (lights, scoreboards, etc.) please read the written operating procedures for that equipment.
- ✓ All chemicals or organic materials stored in the sheds shall be properly marked and labeled as to its contents.

✓ Any witnessed "loose" chemicals or organic materials within these sheds should be cleaned up and disposed of as soon as possible to prevent accidental poisoning.

Bats Meet Standards	Drinking Water

REPORT ANY PROBLEMS TO YOUR COMMISSIONER OR SAFETY OFFICER. Turn this form into the concession stand or to your division Rep.

Requirement 8:

Annual Little League Facility Survey will be submitted in the Data Center.

Concession Stand Guidelines

Requirement 9:

Every worker must be instructed on these guidelines before they can work.

Wash your hands regularly:

- Use soap and warm water.
- Rub your hands vigorously as you wash them.
- Wash all surfaces including the backs of hands, wrists, between fingers and under fingernails.
- Rinse hands well.
- Dry hands well.
- Dry hands with paper towels.
- Turn off water using paper towel, instead of your bare hands.

Wash your hands in this fashion before you begin work and especially after performing any of these activities:

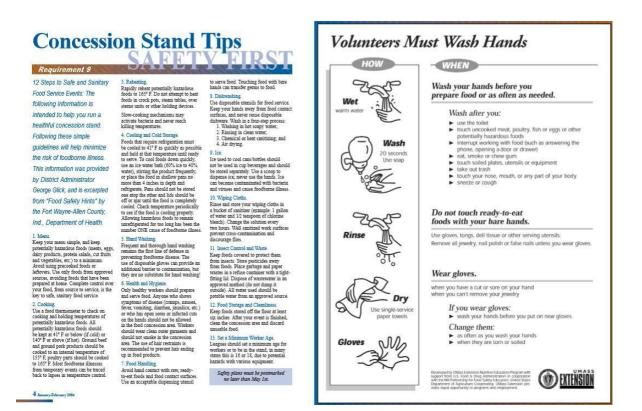

- After touching bare human body parts other than clean hands and clean exposed portions of arms.
- After using restrooms.
- After caring for or handling animals.
- After coughing, sneezing, using a handkerchief or disposable tissue.
- After touching soiled surfaces.
- After drinking, using tobacco, or eating.
- During food preparation.
- When switching from raw to ready to eat foods.
- After engaging in activities that contaminate hands.

Basic Rules:

- 1. Menu... smaller is better. No salads cut up fruit or vegetables, no food prepared at home.
- 2. Cook food thoroughly. Use a meat thermometer. Keep hotdogs and burgers at 41 degrees when cold and cook to 155 degrees or above when hot.
- 3. Rapidly reheat foods to 165 degrees. Slow cooking devices may activate bacteria and never reach killing temperatures.
- 4. All foods that require refrigeration must be cooled to 41 degrees F. as quickly as possible and held there until ready to use. To cool foods quickly, use the ice water bath (60% ice and 40% water), stirring the product frequently, or place their food in shallow pans no more than 4 inches in depth and refrigerate. Pans should not be stored one a top of the other and lids should be off or afar until the food is completely cooled. Check the temperature periodically to see if the food is cooling properly. DO NOT LEAVE FOOD OUT AT ALL!!
- 5. FREQUENT AND THOROUGH HANDWASHING IS REQUIRED.
- 6. Only healthy people should prepare and serve food. Anyone with any symptoms of disease (cramps, nausea, fever, vomiting, diarrhea, cough etc.) or who has open sores or infected cuts on the hands should not be allowed in the food concession area. Workers' clothes should be clean, and they should not smoke in the concession area. Hair restraints are recommended.
- 7. Food handling: Avoid hand contact with raw food, ready-to-eat foods and food contact surfaces. Use a utensil and/or glove.
- 8. Use disposable utensils for food service. Keep your hands away from food contact surfaces and never reuse disposable dishware. Ideally utensils should be washed in a four-step method: (1) Hot soapy water, (2) Rinsing in clean water, (3) Chemical or heat sanitizing, (4) Air drying.
- 9. Ice that is used to cool cans/bottles should not be used in cup beverages. And should be stored separately. Use scoop to dispense ice, never use hands.
- 10. Wiping cloths should be rinsed and stored in a bucket sanitizer. (1-gallon water and ½ tsp. chlorine bleach. Change the solution every 2 hours.
- 11. Insect control and waste. Keep foods covered to protect from insects. Store pesticides away from food. Place garbage and paper waste in a refuse container with a lid that fits tightly. Dispose of all water in the restrooms, do not pour outside. All water that is used should be potable from and approved source.
- 12. Keep food stored off the floor at least 6 inches. After your event is finished, clean the concession area and discard any unusable food. Do not save food for reheating.

THE TOP SIX CAUSES FOR ILLNESS

- 1. Inadequate cooling and cold holding.
- 2. Preparing food too far in advance of service.
- 3. Poor personal hygiene and infected personnel.
- 4. Inadequate reheating.
- 5. Inadequate hot holding.
- 6. Contaminated raw foods and ingredients.

Inspection of Equipment

Requirement 10:

- This Little League requires regular inspection of playing equipment.
- Unsafe equipment should not be given in team equipment bags.
- Manager's Coaches and Umpires are required to inspect equipment prior to each use.
- Bad equipment will be logged and will be removed and destroyed.

Accident Reporting Procedure

Requirement 11:

<u>What to Report:</u> An incident that causes a Player, Manager, Coach or Umpire to receive medical treatment or first aid must be reported to The Safety Officer.

When to Report: All such incidents described above must be reported to the Safety Officer(s) within 24 to 48 hours of the incident.

Safety Officers:

Carlos & Melissa Murillo (408)206-1914 or (408)206-7030 safety@sjnll.org

How to Make a Report: Reporting incidents can come in a variety of forms. Most typically they are telephone conversations. At a minimum, the following information is needed.

- 1. The name and address of the injured person.
- 2. The date, time, and location of the incident.
- 3. As detailed of a description of the incident as possible.
- 4. The preliminary estimation of the extent of the injury.
- 5. The name and phone number of the person making the report.
- 6. Names and phone number of any witnesses.

In your safety packet you will find the injury report forms. If your Safety Parent is there, he/she can assist you in getting the front of the form filled out. Then a call is to be made to The Safety Officer reporting the incident within 48 hours. Little League insurance is a supplemental insurance to the insured's own insurance. There is a small deductible.

How to Replace the Injury Report Forms: The forms can be replaced by the Safety Officer or downloaded from www.littleleague.org found under forms and publications.

FIRST AID KITS

Requirement 12:

Each team is provided with a league issued first aid kit. Each kit includes the following.

- (10) Adhesive sterile bandage
- (2) Extra-large adhesive sterile bandage
- (2) Non-adherent pads 2 x 3
- (2) Gauze pad 12-ply 3 x 3 sterile
- (1) Adhesive tape
- (2) Instant cold compress 4 x 4
- (3) Triple antibiotic ointment
- (3) Antiseptic towelette
- 1/8 oz. Burn Cream
- (3) Sting relief wipes
- (1) Tweezers

Communicable Disease Procedures

- 1. Bleeding must be stopped, the open wound covered, and the uniform changed if there is blood on it before the athlete may continue.
- 2. Routinely use gloves to prevent mucous membrane exposure when contact with blood or other body fluids is anticipated (Provided in the first aid kit).
- 3. Immediately wash hands and other skin surfaces if contaminated with blood.
- 4. Clan all blood contaminated surfaces and equipment.
- 5. Managers, Coaches, and Volunteers with open wounds should refrain from all direct contact until the condition is resolved.
- 6. Follow accepted guidelines in the immediate control of bleeding and disposal when handling bloody dressings, mouth guards and other articles containing body fluids.

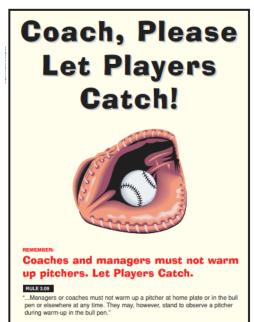

Enforcement of Little League Rules

Requirement 13:

- All volunteers must have a volunteer application filled out and on file with the Little League. Our league will provide annual background checks.
- No laminated bat shall be used... (rule 1.10)
- The traditional batting donut is not permissible... (rule 1.10)
- A pitcher shall not wear any items on his/her hands, wrists or arms which may be a distraction to the batter. White long sleeve shirts are not permitted... (rule 1.11)
- Pitcher shall not wear sweat bands on his/her wrists... (rule 1.15)
- Players must not wear jewelry... (rule 1.11)
- Catcher must wear a catcher's mitt... (rule 1.12)

- All batters must wear protective batting helmets, all helmets must bear the NOCAE stamp, No painting, or stickers on helmets... (rule 1.16)
- All male players must wear athletic supporters. Male catchers must wear the metal, fiber, or plastic type protective cup.
- Catching helmet must have the dangling type throat protector and catcher's helmet during infield/outfield practice, pitcher warm-up and games.
- Skull caps are not permitted... (rule 1.17)
- Each team is allowed three coaches in the dugout...
- Managers or coaches may not warm up a pitcher at home plate or in the bull pen or elsewhere at any time... (rule 3.09)
- Coaches are encouraged to discourage "horseplay"
- No on deck batters are allowed in the Majors and below... (rule 1.08)

Consider the following facts:

- The average lightning stroke is 6-8 miles long.
- The average thunderstorm is 6-10 miles wide and travels about 25 miles an hour.
- On the average, thunder can only be heard over 3-4 miles, depending on humidity, terrain, and other factors. This means that by the time you hear the thunder, you are already in the risk area for lighting strikes.

Rule of Thumb: The ultimate truth about lighting is that it is unpredictable and cannot be prevented. Therefore, a manager or coach who feels threatened should contact the head umpire and recommend stopping play and clearing the field. In our league the umpire makes the decision as to whether play is stopped. Once play is stopped, take the kids to safety until play resumes or game is called.

<u>Where to Go?</u> No place is safe from lightning threat, but some places are safer than others. Constructed buildings are usually the safest. Most people will find shelter in a fully enclosed metal vehicle with the windows rolled up. If you are stranded in an open area, put your feet together, crouch down and put your hands over your ears to prevent eardrum damage.

Where not to go? Avoid high places and open fields, isolated trees, unprotected gazebos, rain or picnic shelters, dugouts, flagpoles, light poles, bleachers, metal fences and water.

First Aid for a Lightning Victim:

- Call 911 immediately.
- Typically, the lightning victim has similar symptoms as that of someone having a heart attack. Consider: will moving cause any more injury. If the victim is in a high-risk area, determine if movement is necessary. Lightning does strike twice in the same place. If you are not at risk, and moving is a viable option, you should move the victim.
- If the victim is not breathing, start mouth to mouth resuscitation. If it is decided to move the victim, give a few quick breaths prior to moving the victim.
- Determine if the victim has a pulse. If no pulse is detected, start cardiac compressions as well.

NOTE: CPR should only be administered by a person knowledgeable and trained in the technique.

Remember: Safety is everyone's job. Prevention is the key to reducing accidents to a minimum. Report all hazardous conditions to the Safety Officer or another Board Member immediately. Do not play on an unsafe field or with unsafe equipment. Check the teams' equipment prior to each use.

Hydration

Managers are required to bring water to each practice and game. Players are encouraged to bring bottled water or sports drinks.

Tips to Prevent Heat Illness:

- Know that once you are thirsty you are already dehydrated.
- Drink before you become thirsty.
- Drink plenty of liquids like water, or sports drinks every 15 minutes.
- Water seems to be the preferred beverage. Water has many critical functions in the body that are important for performance; they include, carrying oxygen and nutrients to exercising muscles.
- Do not drink beverages with caffeine before practice or games. Caffeine can increase the rate of dehydration.
- Do not exercise vigorously during the hottest time of the day.
- Practice in the morning and during the latter part of the evening.
- Wear light color loose clothes.
- Use sunscreen to prevent sunburn.
- If you begin to feel faint or dizzy, stop your activity and cool off by sitting in the shade, air-conditioned car or use a wet rag to cool you off.

How is it treated?

Emergency medical treatment is necessary. If you think someone is suffering a heat stroke, call 911 or a doctor immediately. In the meantime, give first aid as follows:

- Move the person to a shady area.
- Cover the person with a wet sheet and keep the sheet wet for cooling from evaporation.
- Fan the person with paper or an electric fan (preferably not cold air).
- Sponge down the body, especially the head, with cool water.
- Continue giving first aid until the body feels cool to the touch.
- If the person is conscious, let them sip water, fruit juice, or a soft drink.

Submitting Player, Manager and Coach Data

Requirement 14:

Player, Manager, and Coach information will be submitted through the Little League Data Center at www.littleleague.org by April 1, 2021 or two weeks following the draft.

Requirement 15:

We will answer the survey questions in the Little League Data Center.

Concussions

All 50 states have laws specific to the management of concussions and head injuries. Some states require not just leagues but DA's, ADA's, and umpires to undergo annual training.

- Some states may affect only school-based activities, but many also address any group using school facilities or grounds for athletic purposes.
- Little League has developed a concussion overview page for each state that will be similar to the Child Abuse page.
- The CDC (Centers for Disease Control and Prevention) website is a great tool for leagues to encourage their managers/coaches, parents, and players to review concussion information • www.cdc.gov/concussion/HeadsUp/youth.html Concussions
- DA's must also be aware of their state's respective laws, especially during any Special Games events or International Tournament games being hosted by the District.
- Failure to adhere to these laws could expose the District and/or host to unwanted liability and penalties Some states require that the participant and a parent/guardian must sign and acknowledge that they understand the risks of concussions before they can participate
- The majority of states also require immediate removal from competition if a person has sustained a concussion and that they cannot return until being released in writing by a medical professional.

San Jose National Little League Concussion Prevention, Treatment and Management Policy

The Legislature enacted a law which requires youth sports organizations to adopt a policy concerning the prevention and treatment of injuries to the head which may occur during a youth's participation in competitive sports, including, without limitation, a concussion of the brain.

A concussion is a brain injury that results from a bump, blow or jolt to the head or body which causes the brain to move rapidly in the skull and which disrupts normal brain function. The Centers for Disease Control and Prevention of the United States Department of Health and Human Services estimates that as many as 3.8 million concussions occur each year in the United States which are related to participation in sports and other recreational activities. Athletes who continue to participate in an athletic activity while suffering from a concussion or suffering from the symptoms of an injury to the head are at greater risk for catastrophic injury to the brain or even death. Ensuring that a Little League player who sustains or is suspected of sustaining a concussion or other injury to the head receives appropriate medical care before returning to baseball activity will significantly reduce the child's risk of sustaining greater injury in the future.

THEREFORE, **San Jose National Little League** hereby adopts the following policy for purposes of prevention, treatment, and management of injuries to the head that may occur during a player's participation in the Little League program, including, without limitation, a concussion of the brain:

- 1. Prior to a team's first practice each season, every manager, coach, and adult assistant shall:
 - a) Familiarize themselves with the CDC publication "Heads Up Concussion in Youth Sports A Fact Sheet for Coaches". This publication will be provided to all such individuals by the League Safety Officer or other Board members; and,

b) Complete the CDC on-line training course at: https://www.train.org/cdctrain/course/1089818/

A copy of the Certificate of Completion for each of the above individuals shall be submitted to the League Safety Officer.

- **2.** If a Little League player sustains, or is suspected of sustaining, an injury to the head while participating in any Little League game or even the player must:
- a. Be immediately removed from the game or event; and
- **b.** May only return to Little League activity if the parent or legal guardian of the player provides a signed statement from a provider of health care indicating that the youth is medically cleared for Little League participation and the date on which the player may return to participation.
- **3.** The Little League player and his or her parent or legal guardian must sign the statement below acknowledging that they have read and understand the terms and conditions of the policy and agree to be bound by the policy.

San Jose National Little League Concussion Prevention, Management and Treatment Policy

Player and Parental Acknowledgement

We, the undersigned, acknowledge that we have been provided with a copy of the San Jose National Little League Concussion Prevention, Management and Treatment Policy, and that we have read and understand the policy, or it has been read to us and we understand the same. We hereby agree to follow all procedures set forth in said Policy at all times during which our son or daughter participates in Little League activities and events.

Safe Sports Act

- "Protecting Young Victims from Sexual Abuse and SafeSport Authorization Act of 2017" became federal law in 2018
- The goal of SafeSport is to protect children from abusive situations by engaging more people in the reporting and education processes
- A volunteer now can be held legally responsible if they have firsthand knowledge and fail to report any type of Child Abuse to the correct parties
- SafeSport covers all types of Child Abuse both physical and psychological
- SafeSport prompted USA Baseball to create Pure Baseball

USA Baseball Pure Baseball Initiative

- Little League International and all local little league programs must adhere to the following requirements from the SafeSport Act:
- Reporting of Abuse involving a minor to the proper authorities
- All volunteers of a local league are now mandated reporters and could face criminal charges if the league chooses to ignore, or not report to the proper authorities, any witnessed act of child abuse, including sexual abuse, within 24 hours.
- Local leagues must be aware of the proper procedures to report any type of abuse in their state. Please reference www.LittleLeague.org/ChildAbuse
- Leagues must adopt a policy that prohibits retaliation for "good faith" reports of child abuse.
- Leagues must adopt a policy that limits one-one-one contact with minors.
- Leagues are highly encouraged to complete the Abuse Awareness training provided by USA Baseball and/or SafeSport.

Accident Notification Form Page 1 (Parent/Guardian Statement)

LITTLE LEAGUE, BASEBALL AND SOFTBALL ACCIDENT NOTIFICATION FORM INSTRUCTIONS

Accident & Health (U.S.):

Send Completed Form To: Little League, International 539 US Route 15 Hwy, PO Box 3485 Williamsport PA 17701-0485 Accident Claim Contact Numbers: Phone: 570-327-1674

- 1. This form must be completed by parents (if claimant is under 19 years of age) and a league official and forwarded to Little League Headquarters within 20 days after the accident. A photocopy of this form should be made and kept by the claimant/parent. Initial medical/ dental treatment must be rendered within 30 days of the Little League accident.
- 2. Itemized bills including description of service, date of service, procedure and diagnosis codes for medical services/supplies and/or other documentation related to claim for benefits are to be provided within 90 days after the accident date. In no event shall such proof be furnished later than 12 months from the date the medical expense was incurred.
- 3. When other insurance is present, parents or claimant must forward copies of the Explanation of Benefits or Notice/Letter of Denial for each charge directly to Little League Headquarters, even if the charges do not exceed the deductible of the primary insurance program.
- 4. Policy provides benefits for eligible medical expenses incurred within 52 weeks of the accident, subject to Excess Coverage and Exclusion provisions of the plan.
- 5. Limited deferred medical/dental benefits may be available for necessary treatment incurred after 52 weeks. Refer to insurance brochure provided to the league president, or contact Little League Headquarters within the year of injury.
