Altamont Little League

Sponsorships

Altamont Little League would love to have you as a partner and simultaneously support those who support our youth program. Your support is a crucial part of our organization and the success of our league. Funds raised help cover the cost of uniforms, equipment, umpire equipment, education, field maintenance, and various other costs associated with a quality program. Your generous sponsorship dollars provide an opportunity for children to learn the game of baseball or softball, the value of teamwork, and the responsibilities of being on a team. Altamont Little League, with the help of your sponsorship, also offers scholarships to those families that may be in financial need.

The exposure your company will gain partnering with Altamont is also invaluable for your business. Altamont Little League is situated in the zip code with the highest median income within our city limits. Around 300 families are part of the Altamont community with children's ages ranging from 5 to 16. There are four options in our program so there is an opportunity for every company to become involved.
