

# Memphis Nighthawks Coaching Evaluation Form

Scripture Verse: Give thanks to the Lord, for he is good! His faithful love endures forever. Psalm 118:1

Memphis Christian Athletic Association encourages positive and supportive feedback to allow us to evaluate our sports programs, coaches and team moms. This evaluation is to be based on the entire season of the coaches' abilities, not just one game, tournament, etc. and is not necessarily reflective of the W/L record. We encourage both positive as well as meaningful constructive feedback.
