

TOC Replacement Players

1. Teams must have less than 10 players available to use a replacement.
2. All replacement players are selected by the player agent **not the manager.**
3. All replacement players are considered substitutes; **regular season players will play first.** Replacement players cannot play more innings than a regular season roster player. **Replacement players are listed last on the lineup card.**
4. All replacement players have to be approved by the District Tournament Director or District Administrator.
5. Replacement players cannot be an all-star or a “ringer” to improve the team, replacement players are not eligible to pitch, the purpose is to allow another player to play in a tournament.
6. **All replacements must come from the same level of play** as the player being replaced.
7. Exception: A player from a lower division can be selected with the approval of the tournament director.
8. Removed players from the team must be reported to the District Tournament Director or his/her designee.
