Little League Baseball Sponsorships & Donations
Snack Bar Support & Donations

Mountains Little League is heading in to their 36th Baseball/Softball Season. We have a new Board of Directors that are all dedicated to the preservation of this league and what it brings to the children and parents of our community. We truly believe that Little League instills leadership, character, courage and loyalty in all who participate and we are eagerly pushing forward to make this the best season we can for our mountain children.

Although Little League is an international pastime, our mountain community is small. We rely on the generous donations of others both locally and in surrounding communities. The attached Sponsorship Form can be utilized for two purposes, one is to sponsor the league in general for any and all associated costs for the running of the league, and two for the sponsoring of a child and their registration costs. If you would like to designate your donation/sponsorship to a specific item of need for the league (i.e. equipment, snack bar, events) you can choose that on the second page.

It is our goal to make sure that everyone who is qualified to play Little League Baseball is able to participate and that their participation is not limited by their ability to pay. So we have also included a section for you to choose to sponsor/donate for a child or children's registration costs as well.

We understand, especially during youth seasonal ball periods that you are probably overwhelmed with requests for donations and we sincerely appreciate your consideration to donate to Mountains Little League. We appreciate your time and contribution to our community at large.

Sincerely,

2019/2020
Mountains Little League Board of Directors
