Concessions – Heather on behalf of Janice

- Janice spoke with Band Boosters president, and we can not use their booth
 - We only wanted to use for running water, to plug in roasters, and to store supplies day of game
 - Ask was to only work out of the booth day of game if there was bad weather
 - Due to their games being Friday and keeping their food and supplies there they were against the idea
- Zack is scheduling a meeting for our board to meet with the High School board to discuss potentially utilizing their booth for the same purposes as provided above
 - The large deposit that was required at the end of season last year will be discussed
 - The tent that was purchased last year was returned due to the difficulty of building. New pop-up tent to be purchased
 - The tent worked out very well overall, the fans loved being able to still watch the game while in line, the volunteers all commented that the flow to execute the orders went so much better with the outside space
- Menu for game day at field and practice at blue booth all being finalized

Football Equipment – Chris

- 20 helmets being reconditioned
- 50 sets of horns
- Shoulder pads are next to reviewed to order
- Ordering more jerseys
