

EHT Elite Sports Organization

Dear Business Owner,

Are you willing to make a difference in the lives of children in your community? I am writing you to **request your support** for EHT Elite Sports Organization. Our programs serve hundreds of youth each year through various sports and fitness programs. Our most popular programs are Football, Cheer, and Conditioning.

EHT Elite Sports Organization (**a 501c3 non-profit**) is fully committed to our youth's future. Sports and fitness are important to EHT Elite Sports Organization because they are vital elements in the health, happiness, and well-being of our children and young people. EHT Elite Sports works with local government, businesses, and partners throughout the community to use sports and fitness-based programs to improve children's lives and strengthen communities.

In a collaborative effort, EHT Elite Sports is working with several local organizations and businesses to help fund and organize our youth programs. We are actively seeking **financial support and/or donations** from local businesses, civic organizations, and caring citizens, in order to fund our programs in the upcoming season. The safety of our players is our organizations main concern. We need new helmets and shoulder pads to ensure our players equipment is up to date. **Considering we operate solely off contributions and fundraising efforts; we need your help to purchase equipment for the players.**

Please know that any and all contributions you make will have a positive impact the experience of children in our programs. It has been proven that children who participate in sports are less likely to get involved with drugs, drop out of school, get pregnant, or get in trouble with the Law. EHT Elite Sports commits to mentor these children to thrive in school with our tutoring program and encourage them to think ahead about attending college. We teach them to build a positive self-image, and develop community responsibility by volunteering in activities.

For your kind **tax deductible contribution**, we will recognize your business by advertising on our organizations website and Facebook page. We can also advertise your business or organization during the season with fence signs, and programs books at our events for additional fees. This is an easy low cost way to blast your business to hundreds of local residents in our community. Please review the attached contribution pages and consider one for a contribution.

Please mail your donation to:
EHT Elite Sports Organization
PO Box 138
Pleasantville, New Jersey 08232

Our players and organization **Thank You for your contribution,**

Audra Patterson, Secretary
