

Kingsley Recreational League administers and organizes baseball, softball, and T-ball teams for the Kingsley area youth between the ages of 5 and 14. We are a non-profit organization ran strictly by volunteers. KRL gives nearly 300 children in the Kingsley community the opportunity to learn the value of team work and sportsmanship while learning the fundamentals of baseball and softball. This is made possible largely due to donations made by companies such as yours.

The Kingsley Rec League Board was hoping that your company may be interested in sponsoring a team for the coming season. The sponsorship fee is \$175, this covers the costs of uniforms for your sponsored team. Uniforms will consist of a T-shirt with your company's name on it as well as hat for each child and coach! KRL would like to thank you all for your consideration. This is an excellent chance to give back to the community and receive some great advertising in the process!

If you have a specific league or player's team that you would like to sponsor, please let us know on this application. We will give all requests consideration and in most instances, we are able to honor these requests. If there is a conflict, we will let you know.

Thank you so much for your consideration, we look forward to working with you to help our youth make the most of this opportunity. If you are willing and able to sponsor a team this year, please make your check payable to: **KRL Inc.**

Forms can be mailed to: KRL
