“PLAY UP” Policy

RSA (Aka Ramona PONY) allows parents to request a WAIVER to allow their player to “play up” into the next age group allowed to them by PONY™ organizational rules. While both PONY™ and RSA do not recommend that players play up, the Board of Directors does recognize that there may be many factors, including but not limited to, size maturity, playing experience, and exceptional skills that may warrant a player’s ability to play up.

Players wishing to play up must be assessed by the division managers they are attempting to play up in. They must attend the scheduled assessment date for that division. **Players that do not attend assessments will not be considered.**

Player will be approved to play up into a division based on a majority “Yes” vote of the division managers in attendance. Parents will be notified within 72 hours of assessments if their player has been approved to play up.

Disclaimer of Liability

I, the parent/guardian of the above-minor child, hereby request my child to play baseball in an age group older than that assigned and recommended by RSA. I am aware that my child will be playing against older and potentially more physically developed players with potentially higher level of skills, and I, therefore, recognize the added risks to my child’s health and safety, as well as to my child’s emotional well-being.

In signing below, I accept these risks and accept all and every liability and responsibility stemming from such risks as my own, and I absolve Ramona Pony Baseball, its board members, volunteers, and associated personnel against any claims by or on behalf of the player named above and from any responsibility for the same. I also acknowledge that I am making this decision on my own initiative and have not been requested to do so by any Ramona Pony Baseball Coach or Member.
