FLAG FOOTBALL 6V6 RULEBOOK

Rules

1. At the start of each game, captains from both teams meet at midfield for the coin toss to determine who starts with the ball. The visiting team calls the toss.
2. The winner of the coin toss has the choice of offense or defense. The loser of the coin toss has the choice of direction. Possession changes to start the second half to the team that started the game on defense. Teams change sides after the first half.
3. The offensive team takes possession of the ball at its 5-yard line and has four plays to cross midfield. Once a team crosses midfield, it has four plays to score a touchdown. Crossing midfield is the only opportunity for an offense to gain a first down within a single possession.
4. If the offense fails to score, the ball changes possession and the new offensive team starts its drive on its own 5-yard line.
5. If the offensive team fails to cross midfield, possession of the ball changes and the opposition starts its drive from its own 5-yard line.
6. If the defense intercepts the ball, a defensive player can attempt to return it until down or out of bounds.
7. All possession changes, except interceptions, start on the offense's 5-yard line.

Definitions

BOUNDARY LINES	The outer perimeter lines around the field. They include the sidelines and back of the end zone lines.
LINE OF SCRIMMAGE	(LOS) an imaginary line running through the point of the football and across the width of the field.
LINE-TO-GAIN	The line the offense must pass to get a first down or score.
RUSH LINE	An imaginary line running across the width of the field seven yards (into the defensive side) from the line of scrimmage.
OFFENSE	The team with possession of the ball.
DEFENSE	The team opposing the offense to prevent it from advancing the ball.
PASSER	The offensive player that throws the ball and may or may not be the quarterback.
RUSHER	The Identified Defensive Player that is at least 7 yards from the line of scrimmage assigned to rush the quarterback to prevent him/ her from passing the ball by pulling his/her flags or by blocking the pass.
DOWN (1-2-3-4)	The offensive team has four attempts or “downs” to advance the ball. It must cross the line to gain to get another set of downs or to score.
LIVE BALL	Refers to the period of time that the play is in action. Generally used in regard to penalties. Live ball penalties are considered part of the play and must be enforced before the down is considered complete.
DEAD BALL	Refers to the period of time immediately before or after a play.
WHISTLE	Sound made by an official using a whistle that signifies the end of the play or a stop in the action for reporting a penalty, a timeout, halftime or the end of the game.
INADVERTENT WHISTLE	Official’s whistle that is performed in error.
CHARGING	An illegal movement of the ball-carrier directly at a defensive player who has established position on the field. This includes lowering the head or initiating contact with a shoulder, forearm or the chest.
FLAG GUARDING	An illegal act by the ball-carrier to prevent a defender from pulling the ball-carrier’s flags by stiff arm, lowering elbow or head or by blocking access to the runner’s flags with a hand or arm or ball.
SHOVEL PASS	A legal pitch attempted behind the line of scrimmage.
UNSPORTSMANLIKE CONDUCT	A rude, confrontational, physical or offensive behavior or language.
RIGHT OF PLACE (ROP)	Right of place is given to any stationary players who maintains normal player posture and make no movements in any horizontal direction to change their position. A purely vertical movement, including a lift from the ground, in order to throw or catch a pass does not mean that a previously established right of place has been lost. Right of place supersedes right of way when determining who is guilty of a foul.
RIGHT OF WAY	Right of way is given to a player according to rule who has established a direction of movement in a regular manner and does not alter that direction. A player with right of way has a higher privilege when determining who is guilty of a foul than all other players except those with right of place.

POSITIONS

Offense

1. The six players on offense consist of a center, a quarterback and five eligible receivers.
 - a. **Center.** This player is responsible for snapping the ball and is eligible to go out for passes, once they have snapped the ball.
 - b. **Quarterback.** The quarterback is the offensive player who first gets possession of the ball after the snap. The quarterback cannot directly run with the ball across the line of scrimmage without first handing the ball off to a teammate and then receiving a second handoff back or receiving a pass.
 - c. **Receiver/back.** Any player who does not initiate the snap nor receive the snap is considered an eligible receiver/back and can either receive a handoff or catch a pass.

NOTE: LEAGUES MAY CONSIDER WAIVING THE RESTRICTION ON LINING WITHIN THREE YARDS OF THE CENTER FOR YOUNGER AGE GROUPS.

Defense

1. Only the Rusher is eligible to rush the quarterback.
 - a. **Rusher.** Any player who rushes the quarterback must be, SELF IDENTIFIED and a minimum of six yards behind the line of scrimmage at the snap. For fields that do not include yard lines, officials will mark this six-yard zone before every play. Rushers must identify themselves by raising a hand above their shoulders.
 - i. Following a legal handoff, any member of the defense can cross the line of scrimmage.

Equipment

1. The organization provides each player with an official flag belt and team jersey. Teams will use footballs provided by their league. See Flag Specifications section for more details.
2. Players must wear shoes. Cleats may not be allowed at certain locations. Cleats with exposed metal are never allowed and must be removed.
3. Players may tape their forearms, hands and fingers. Players may wear gloves, elbow pads and knee pads. Braces with exposed metal are not allowed.
4. Players must remove any jewelry and head wear (acceptable head wear is determined by league officials).
5. Players' jerseys must be tucked into shorts or pants if they hang below the belt line.

6. We recommend players wear shorts or pants that do not have pockets. Shorts or pants with belt loops or pockets must be taped. Games will not be delayed for a player to tape up pockets.
 - a. **Flag belts cannot be the same color as shorts or pants.**
7. All players must wear mouth guards while on the playing field.

The Ball

The ball shall be made of four panels of pebble-grained leather in natural tan color with eight equally spaced lacings and new or nearly new with no alterations. The ball shall be an ellipsoid spheroid of regulation dimensions and inflated to a pressure of between 12.5 and 13.5 psi (0.85 – 0.95 bar).

TYPE OF FOOTBALL

Dimensions	Adult	Youth	Junior
Length	11.00 to 11.50 inches (27.9 – 29.2 cm)	10.50 to 11.00 inches (26.7 – 27.9 cm)	10.25 to 10.75 inches (26.0 – 27.3 cm)
Length circumference	27.00 to 28.00 inches (68.6 – 71.1 cm)	26.00 to 27.00 inches (66.0 – 68.6 cm)	25.00 to 26.00 inches (63.5 – 66.0 cm)
Diameter	6.25 to 6.75 inches (15.9 – 17.2 cm)	6.00 to 6.50 inches (15.2 – 16.5 cm)	5.75 to 6.25 inches (14.6 – 15.9 cm)
Cross circumference	20.00 to 21.00 inches (50.8 – 53.3 cm)	19.00 to 20.00 inches (48.3 – 50.8 cm)	18.00 to 19.00 inches (45.7 – 48.3 cm)
Weight	14 to 15 ounces (400 – 425 g)	12 to 13 ounces (340 – 370 g)	11 to 12 ounces (310 – 340 g)

- For men's or co-ed games, adult size balls shall be used.
- For women's games, use Youth Ball dimensions. (example: USA Football Youth or Wilson TDY)
- For junior games aged under-17, youth sized balls shall be used. (example: USA Football Youth or Wilson TDY)
- For youth games aged under-13, junior size balls shall be used. Balls need not be leather. (example: USA Football Junior or Wilson TDJ)

Flag Specifications

Players of a team shall wear tightly fixed flag belts with pop-sockets and 2 identical flags. Every effort shall be made to keep one flag on each hip of the player. The sockets shall be placed facing outwards and downwards. The flags shall be clearly visible, hang down freely and must not be covered in any way by the player's uniform and all colors must be contrasting with all colors on the pants. The flags and sockets may not be greased, glued or altered in any way. Any player, who deliberately manipulate their flags shall be disqualified. The flags and sockets each shall be made of the same material in the same color without sharp edges.

- The flags shall measure 2 inches (5 cm) x 15 inches (38 cm).
- Flag length from socket: 15 to 16 inches (38.1 – 0.6 cm).
- Flag width: 1.9 to 2.1 inches (4.8 – 5.3 cm).
- On each flag one single color brand or logo in the upper quarter is allowed with a maximum size of 2x3 inches (5 x 7.5 cm).
- Flag thickness: maximum 0.03 inches (0.75 mm).
- Flag weight: minimum 3.5 ounces (100 g).

Field

- Field dimensions are 30 X 70 yards in total with two 10- yard end zones and a 50 yard field of play. No-run zones are only before the goal line. However, some locations may use smaller fields due to available field space.
- A No-run zone is in place to prevent teams from conducting run plays. While in the No-run zones (a 5-yard imaginary zone before the end zone), teams cannot run the ball in any fashion. All plays must be pass plays, even with a handoff.

USA FOOTBALL RECOMMENDATION: THE NO-RUN ZONE MAY BE REMOVED FOR PLAYERS WHO ARE STILL LEARNING BASIC PASSING AND CATCHING SKILLS.

- Stepping on the boundary line is considered out of bounds.

**Yellow line indicates lines of a soccer field*

**Administration zones should be 3 yards wide.*

Rosters

1. Home teams wear dark color jerseys. Visiting teams wear light color jerseys.
2. Teams must consist of at least six players with a recommended maximum of 14 players.
3. Teams must start games with a minimum of six players. In the event of an injury, a team with insufficient substitute players may play with six players on the field but no fewer than six.

League Play

1. Games are played on a 40-minute continuous clock with two 20-minute halves unless one team gains a 30-point advantage at which point, the score is no longer kept. The clock stops for timeouts or injuries only, though officials can stop the clock at their discretion for injury, to stop a team from delaying or other unsportsmanlike conduct.

USA FOOTBALL RECOMMENDS A RUNNING CLOCK AT THE YOUTH LEVEL (5-12 YEARS OLD), BUT IT IS UP TO THE LEAGUES DISCRETION TO USE A PRO-CLOCK INSTEAD. FOR JUNIOR ATHLETES (13-17 YEARS OLD) USA FOOTBALL RECOMMENDS THE USE OF A RUNNING CLOCK IN THE FIRST HALF AND A PRO-CLOCK IN THE SECOND HALF.

2. Halftime is five minutes.
3. Each time the ball is spotted, a team has 30 seconds to snap the ball. Teams will receive one warning before a delay-of-game penalty is enforced.

USA FOOTBALL RECOMMENDATION: OFFICIALS SHOULD USE DISCRETION WITH TEAMS WHO ARE STILL LEARNING BASIC FOOTBALL SKILLS AND MAY NEED MORE TIME TO LINE UP AND GET A PLAY OFF.

4. Each team has two 30-second timeouts per half.
5. In the event of an injury, the clock will stop then restart when the injured player is removed from the field of play and both teams are lined up ready to restart the play.

Tournament Play

Level of Play	Total Length of Game	Length of Halftime	Clock Settings
Youth (5-12 years old)	Two 12-minute halves	2 minutes	Running clock
Junior (13-17 years old)	Two 15-minute halves	2 minutes	Running clock- first half Pro clock- second half
Adult (18+)	Two 20-minute halves	2 minutes	Pro clock

*Up to tournament organizer's discretion on what type of game clock setting they would like to use.

PRO-CLOCK CLOCK STOPS

1. To award a first down, also after a change of team possession.
2. To complete a penalty.
3. When the ball or the runner goes out of bounds.
4. When a pass or fumble (forward or backward) strikes the ground.
5. When a score is made and during and after the following try and onside snap.
6. When a charged timeout is granted.

League Play Overtime

1. A coin flip will determine the team that chooses to be on offense or defense first.
 - a. If a second round of overtime must be played, the team that lost the coin toss will get to choose offense or defense for the start of the second round of overtime. This process continues with teams alternating who gets to choose to be on offense or defense to start out during every round of overtime.
 - b. The referee will determine on which end of the field the overtime will take place.
 - c. No charged team timeouts shall be granted.
2. In the first extra period, each team will have one series starting at the mid-field. On the first series, if the defense intercepts the ball and scores, then the overtime period is over.
3. Each team retains the ball during its series until it scores (including try downs for 1 or 2 points) or exhausts its series of downs. The ball remains alive after a change of team possession until it is declared dead. The series is then ended even if there is a second change of team possession during that down.
4. If after the first period (with 2 series including tries) the score is still tied, the second and following periods consist of series with each team playing a 1-point try from the 5-yard line. The overtime ends when the score after a period is no longer a tie or the defense scores during the first series of a period.
5. The team scoring the greater number of points during overtime shall be declared the winner.

Tournament Play Overtime

1. A coin flip will determine the team that chooses to be on offense or defense first.
 - a. If a second round of overtime must be played, the team that lost the coin toss will get to choose offense or defense for the start of the second round of overtime. This process continues with teams alternating who gets to choose to be on offense or defense to start out during every round of overtime.
 - b. The official will determine on which end of the field the overtime will take place.
2. Each team will take turns getting one (1) play from the defense's 5-yard line for one point or the defense's 10-yard line for two points. Whether to go for one or two points is up to the offensive team. Whether or not the team that begins on offense converts, the team that started on defense gets a chance on offense to win or tie by converting a one- or two-point play of its own.
 - a. Example: Team A starts on offense and chooses to go for one point from the 5-yard line and is successful. Team B is then on offense and can choose to either go for one point from the five-yard line to tie and force a second round of overtime or to go for two points from the 10-yard line for the win.
 - b. If the second team on offense in an overtime round fails to beat or match the team that went first, the team that went first wins.
3. All regulation period rules and penalties are in effect.
4. There are no timeouts in overtime.

Scoring

1. **Touchdown:** Six 6 points
2. **PAT** (point after touchdown) **1 point** (5-yard line) or **2 points** (10-yard line).
 - a. Because of the No-run zone, a one point PAT is pass only; two point PAT can be run or pass.
 - i. Defense touchdown on a try - 2 points.
 - ii. Safety - 2 points
 - iii. Safety on a try - 1 point.

NOTE: AT YOUNGER LEVELS, LEAGUES SHOULD CONSIDER WAIVING THE NO-RUN ZONE FOR TOUCHDOWNS AND POINT-AFTER TRIES.

- b. A team that scores a touchdown must declare prior to the snap whether it wishes to attempt a one- or two-point conversion. Any change, once a decision is made to try for the extra point, requires a charged timeout. A decision cannot be changed after a penalty. Interceptions can be returned for a safety (2 points) .

3. **Safety:** 2 points

- a. A safety occurs when the ball-carrier is declared down in his or her own end zone. Runners can be called down when their flags are pulled by a defensive player, a flag falls out, they step out of bounds, a knee or arm touches the ground, a fumble occurs in the end zone or if a snapped ball lands in or beyond the end zone. A penalty in the end zone (i.e. flag guarding) can also be ruled a safety.

USA FOOTBALL RECOMMENDATION: SAFETIES CAN BE ELIMINATED FOR TEAMS WHO ARE STILL LEARNING BASIC FOOTBALL SKILLS. FOR FLAG PULLS IN THE END ZONE OR PLAYERS RUNNING OUT OF THE BACK OR SIDES OF THE END ZONE, THE BALL RETURNS TO THE ORIGINAL SPOT OR THE 5-YARD LINE AND A DOWN IS LOST.

4. At youth levels, after one team is leading by 30 points or more, score is no longer kept. Once a 30 or more point advantage is gained, no PATs are attempted. The game continues in scrimmage mode: running clock, no additional score kept and strongly encouraged player rotations and position sampling.
 - a. Final score for books is the score at the time of 30 point difference. (i.e. 42-8).

Coaches

At the Youth level, one coach is allowed on the field to call plays and direct players according to need. Once the quarterback begins his or her cadence, however, coaches can no longer speak and must be behind the deepest offensive and defensive players and out of the action.

At the Youth level, Coaches can assist in the alignment of their players to facilitate a fast-paced game, but coaches on the field may not provide extra instruction or make audibles to play calls once the huddle is broken. Coaches on the sidelines can provide this information to players on the field.

USA Football recommends 2-3 coaches per team.

Live Ball / Dead Ball

1. The ball is live at the snap and remains live until an official's whistle blows the ball dead.
2. The official will indicate the neutral zone and line of scrimmage by spotting the ball before each play and signaling ready for play with a short whistle.
 - a. It is an automatic dead ball foul if any player on defense or offense enters the neutral zone. In regard to the neutral zone, an official may give both teams a "courtesy" neutral zone notification prior to the snap to allow their players to move back behind the line of scrimmage.
3. The defense may not mimic the offensive team's signals by trying to confuse the offensive players while the quarterback is calling signals to start the play. This will result in an unsportsmanlike conduct penalty.

4. A player who gains possession of the ball is considered inbounds as long as one foot comes down in the field of play.
5. Substitutions may be made on any dead ball.
6. Any official can whistle the play dead.
7. Play is ruled “dead” when:
 - a. The ball hits the ground
 - i. If the ball hits the ground as a result of a bad snap, the ball is then placed where the ball hit the ground
 - b. The ball-carrier’s flag is pulled
 - c. The ball-carrier steps out of bounds
 - d. A touchdown, PAT or safety is scored
 - e. Any part of the body other than feet or hands touches the ground
 - f. The ball-carrier’s flag falls out
 - g. The receiver catches the ball while in possession of one or no flag(s)
 - h. An inadvertent whistle
8. In the case of an inadvertent whistle, the offense has two options:
 - a. Take the ball where it was when the whistle blew, and the down is consumed.
 - b. Replay the down from the original line of scrimmage.
9. A team is allowed to use a timeout to question an official’s rule interpretation. If the official’s ruling is correct, the team is charged a timeout. If the rule is interpreted incorrectly, the timeout is not charged and the proper ruling will be enforced. Officials should all agree upon any controversial call in order to give each team the full benefit of each call.
10. A team with no timeout remaining cannot challenge a rule interpretation, though officials can come together independently and reverse a call by unanimous decision.

Running

1. The ball is spotted where the runner’s front foot is when the flag is pulled, not the position of the ball.
2. The quarterback cannot directly run with the ball.
3. Only direct handoffs behind the line of scrimmage are permitted. Handoffs may be in front, behind or to the side of the offensive player but must take place behind the line of scrimmage. The offense may use multiple handoffs.
 - a. The “center sneak” play is not allowed as centers are ineligible to receive handoffs.

4. No-run zone are located five yards before the end zone in the direction the offense is headed. They are designed to avoid short-yardage, power-running situations. Teams are not allowed to run in this zone.

USA FOOTBALL RECOMMENDATION: THE NO-RUN ZONE MAY BE REMOVED FOR PLAYERS WHO ARE STILL LEARNING BASIC PASSING AND CATCHING SKILLS.

5. Any player who receives a handoff can throw the ball from behind the line of scrimmage.
6. Once the ball has been handed off in front, behind or to the side of the quarterback, all defensive players are eligible to rush.
7. Runners may not leave their feet to advance the ball. Diving, leaping or jumping to avoid a flag pull is considered flag guarding.
8. Spinning is allowed, but players cannot leave their feet to avoid a flag pull. Players spinning out of control will be called for flag guarding.
9. Runners may leave their feet if there is a clear indication that he/she has done so to avoid collision with another player without a flag guarding penalty enforced.
10. No blocking or “screening” is allowed at any time.
11. Offensive players without the ball must stop their motion once the ball has crossed the line of scrimmage. There is no running with the ball-carrier.
12. Flag obstruction – All jerseys must be tucked in before play begins. The flags must be on the player’s hips and free from obstruction. Deliberately obstructed flags will be considered flag guarding.
13. Flag guarding is an attempt by the ball-carrier to obstruct the defender’s access to the flags by stiff arming, dropping the head, hand, arm or shoulder or intentionally covering the flags with the football jersey.

Passing

1. A pass is considered a forward pass if the ball first touches anything beyond the spot where the ball is released. All other passes are backward passes, even if it is lateral (parallel to the scrimmage line).
 - a. The quarterback may throw the ball away to avoid a sack. The pass must go beyond the line of scrimmage and be in the vicinity of a receiver.
 - b. Quarterbacks cannot spike the ball dead unless the ball travels beyond the line of scrimmage and is in the vicinity of a teammate.

USA FOOTBALL RECOMMENDATION: FOR TEAMS THAT ARE STILL LEARNING BASIC FOOTBALL SKILLS, OFFICIALS SHOULD USE THEIR DISCRETION FOR BALLS THAT DO NOT REACH THE LINE OF SCRIMMAGE AS LONG AS THE PLAYER MADE AN HONEST EFFORT TO MAKE IT THERE.

2. A six-second pass clock begins upon the snap and continues until there is a handoff or pass. If the six-second clock expires while the quarterback still has the ball, the play is blown dead, a down is

lost and the ball is returned to the line of scrimmage as if an incomplete pass occurred.

3. Shovel passes are allowed but must be received beyond the line of scrimmage.
4. Any player who has received a legal handoff can throw the ball forward as long as they are still behind the line of scrimmage.

Receiving

1. All players – are eligible to receive passes.
2. A player must have at least one foot inbounds to make a legal reception.
3. In the case of simultaneous possession by both an offensive and defensive player, possession is awarded to the offense.
4. Interceptions are returnable and are the only changes of possession that do not result with starting on the 5-yard line.

Rushing the Passer

1. All players who rush the passer must be a minimum of seven yards behind the line of scrimmage when the ball is snapped and must declare themselves by raising their hand. Players not rushing the quarterback can defend on the line of scrimmage.

USA FOOTBALL RECOMMENDATION: FOR TEAMS STILL LEARNING BASIC FOOTBALL SKILLS, ELIMINATE PASS RUSHERS TO ALLOW PLAYERS THE FULL SEVEN SECONDS TO THROW THE BALL WITHOUT PRESSURE.

2. Once the ball is handed off, the 7-yard rule no longer is in effect, and all defenders may go behind the line of scrimmage.
3. A marker, or the official, will designate a rush line seven yards from the line of scrimmage. Defensive players should verify they are in the correct position and identify themselves before every play.
 - a. A legal rush is:
 - i. Any rush from a point 7 yards from the defensive line of scrimmage.
 - ii. If a rusher leaves the rush line early (breaks the 7-yard area), they may return to the rush line, reset and then legally rush the quarterback.
 - iii. If a rusher leaves the rush line early and the ball is handed off before he/she crosses the line of scrimmage, he/she may legally rush the second receiver.
 - b. A penalty may be called if:
 - i. The rusher leaves the rush line before the snap crosses the line of scrimmage before a handoff or pass – illegal rush (5 yards from the line of scrimmage and first down).

- ii. Any defensive player crosses the line of scrimmage before the ball is snapped – offsides (5 yards from line of scrimmage and first down).
- iii. Any defensive player not lined up at the rush line or declared crosses the line of scrimmage before the ball is passed or handed off – illegal rush (5 yards from the line of scrimmage and first down).

c. Special circumstances:

- i. Teams are not required to rush the quarterback with the seven second clock in effect.
 - ii. Teams are required to identify their rusher before the play.
- 4. Players rushing the quarterback may attempt to block a pass; however, NO contact can be made with the quarterback in any way. Blocking the pass or attempting to block the pass and then making contact with the passer will result in a roughing the passer penalty.
 - 5. The offense cannot impede the rusher in any way. The rusher has the right to a clear path to the quarterback, regardless of where they line up prior to the snap. If the “path or line” is occupied by a moving offensive player, then it is the offense’s responsibility to avoid the rusher. Any disruption to the rusher’s path and/or contact will result in an impeding the rusher penalty. If the offensive player does not move after the snap, then it is the rusher’s responsibility to go around the offensive player and to avoid contact.
 - 6. A sack occurs if the quarterback’s flags are pulled behind the line of scrimmage. The ball is placed where the quarterback’s feet are when flag is pulled.
 - a. A safety is awarded if the sack takes place in the offensive team’s end zone.

Holding, Shielding, Contact and Aiming

- 1. Holding is grasping an opponent or their equipment, not releasing immediately and impacting the opponent.
- 2. Shielding is obstructing an opponent without contact by moving into their path. A moving player without right of way who impedes an opponent from running a pass route, getting to the runner or impedes a legal blitz is guilty of shielding. A player standing still (with the right of place) is not shielding, even if the player is obstructing an opponent.
- 3. Contact is touching an opponent with impact. Touching with no impact is not a foul.
- 4. Aiming is to target and initiate contact with an opponent or to run into an opponent on purpose, even with right of way. Aiming is any deliberate or avoidable contact with excessive force, even in an attempted flag pull or while playing the ball during a pass. Aiming is to attack a ball in possession or take away the ball from the runner.

Flag Pulling

1. A legal flag pull takes place when the ball-carrier is in full possession of the ball.
2. Defenders can dive to pull flags but cannot tackle, hold or run through the ball-carrier when pulling flags.
3. It is illegal to attempt to strip or pull the ball from the ball-carrier's possession at any time.
4. If a player's flag inadvertently falls off during the play, the player is down immediately upon possession of the ball and the play ends. The ball is placed where the flag lands.
5. A defensive player may not intentionally pull the flags off of a player who is not in possession of the ball.
 - a. If a defender makes a good-faith flag pull while a receiver bobbles or juggles what will be a completed catch, the ball is down where possession is made.

Formations

1. Offenses must have a minimum of one player on the line of scrimmage (the center) and any number of players on the line of scrimmage. The quarterback must be off the line of scrimmage.
 - a. One player at a time may go in motion 1 yard behind and parallel to the line of scrimmage.
EXAMPLE: An offensive player lined up 3 yards deep in the backfield can never go in motion. A player in motion must either start from a set position on the line of scrimmage or 1 yard off to adhere to the rule.
 - b. No motion is allowed toward the line of scrimmage.
2. Movement by a player who is set or a player who runs toward the line of scrimmage while in motion is considered a false start.
3. The center must snap the ball with a rapid and continuous motion between his/her legs to a player in the backfield, and the ball must completely leave his/her hands.

Unsportsmanlike Conduct

1. If the field monitor or official witnesses any acts of intentional tackling, elbowing, cheap shots, blocking or any unsportsmanlike act, the game will be stopped and the player will be ejected from the game. The decision is made at the referee's discretion. No appeals will be considered. FOUL PLAY WILL NOT BE TOLERATED!

USA FOOTBALL RECOMMENDATION: FOR TEAMS STILL LEARNING BASIC FOOTBALL SKILLS, REMOVE ANY PLAYER WHO COMMITS AN UNSPORTSMANLIKE OR DANGEROUS ACT FROM THE FIELD TO RECEIVE INSTRUCTION FROM A COACH AND A COOLING OFF PERIODS. OFFICIALS CAN EJECT THE PLAYER AT THEIR DISCRETION IF THERE ARE CONTINUED INFRACTIONS THAT ARE DEEMED INTENTIONAL.

2. Offensive or confrontational language is not allowed. Officials have the right to determine offensive language. If offensive or confrontational language occurs, the referee will give one warning. If it continues, the player or players will be ejected from the game.
3. Players may not physically or verbally abuse any opponent, coach or official.
4. Ball-carriers **MUST** make an effort to avoid defenders with an established position.
5. Defenders are not allowed to run through the ball-carrier when pulling flags.
6. Fans must also adhere to good sportsmanship as well:
 - a. Yell to cheer on your players, not to harass officials or other teams.
 - b. Keep comments clean and profanity free.
 - c. Compliment ALL players, not just one child or team.
7. Fans are required to keep fields safe and kid-friendly:
 - a. Keep younger kids and equipment such as coolers, chairs and tents a minimum of 10 yards off the field in the end zone area.
 - b. Stay in the end zone area, not between fields. The Administrative Zone is reserved for league administration, game officials, medical personnel, coaches and players only.
 - c. Dispose of ALL trash in designated trash cans.
8. Unsportsmanlike conduct penalties:
 - a. Defense + 10 yards from line of scrimmage and automatic first down
 - b. Offense - 10 yards from line of scrimmage and loss of down
