SPONSORSHIP 2017

St. Johns PAL

St. Johns PAL is a non-profit organization devoted to educating, strengthening and empowering young people to be successful members of society. More than 3,000 youth are involved in St. Johns PAL through various athletic and after school programs aimed at providing a place where youth can learn the PAL Way: Effort, Attitude, Integrity, and Community. In partnership with the St. Johns County Sheriff's Office, our staff consists of law enforcement and civilian personnel. We take pride in our organization and the Sheriff's Office has invested in the future of our county through St. Johns PAL. Our motto is simple:

It's More Than a Game

PAL Cheer

St. Johns PAL is proud to offer the best cheer program around for youth ages 6-14. Each week these young ladies learn teamwork, commitment, character, and some great dances! Led by some of the best cheer coaches and mentors in St. Johns County, the cheer program is a staple of PAL. Each week they show off their talents on Saturday's during PAL football games. Cheer runs from September through October. In November and December, the girls have the opportunity to go and compete against other teams in the state of Florida! Truly, PAL cheer sets the standard for our young ladies and we are proud to offer this to the community.
