

TLL Player Pool Authorization Form

This authorization form allows your child to participate in the Torrance Little League Player Pool (**Training, Minor and Major Divisions ONLY**). The player pool is to only be used during Pre-season and Regular season. Once a manager is informed that he will be short a player and wishes to avoid a forfeited game, he will contact the TLL Player Pool Administrator (TLL-PPA). The TLL-PPA will then contact the parents (listed below) who wish their child to participate in the player pool. The TLL-PPA must speak with parents before the player is allowed to participate at the game requested. Players are selected from the Player Pool on a "First In, First Out" fashion.

Following, are the guidelines for the player pool.

- **A signed authorization form must be on file before a phone call can be made.**
- **He/she may only play in the outfield**
- **He/she cannot pitch, catch or play infield**
- **He/she must bat last in the order**
