Total Operating Expenses	\$28,054.96

2- Presidents Meeting Overview - announced tournament dates June 21st, can't start before that - 10 teams for 8, 9, 10. Does not look like we will field a 12u. We will most likely field a 9u, 10u, 11u teams. Will go for a month. Sectionals will start and everything has to be done before July 13 for all levels. You can to state or district 10 websites for all information.

3- District team discussion/dates - trying to force 12 kids per team, number of kids determine number of coaches, have to be dressed. 11 kids 1 manager, 1 coach, if you have 12 or more then 1 manager and 2 coaches, which is new. And with 11 kids then a kid would coach a base. If you are tied after 6 inning starts as normal if start the 7th then a runner is put on 2nd and its

9th batter of that inning, so 3rd batter up then 2nd batter is on base. Must look professional, khakis and proper shoes and not work boots and tshirts.

Ladies Aux - bond checks will be going out to people that have worked, managers keep snack shack updated to game changes so they can notify. Must try and keep kids out of snack shack during a work shift.

4- Field maintenance/responsibilities - need to rake the field, away from grass, get the garbage, help each other out

5- Make up games/schedules - makeup games must be scheduled otherwise Frank will start making the schedules and you all don't want that

6- Minors pitching discussion/Zoned clinic - 21 turned out and according to Spinner it was very good and instructional

7-Minors game lengths/continued games - understand that we want kids to play, but lets try and keep it to the 2 hours and only continue suspended games under extremely special circumstances

8-Miss Little league - will be announced Sat 5/18 at 6:30pm

9-New Business - none

10- Old business - none

Adjourned - 9:18pm
