

# **Katy Pony Baseball – Field and Batting Cage Usage Policy**

Katy Pony's fields are managed and maintained by employees and volunteers of Katy Pony. Fields cannot be utilized without verbal or written permission from the Division Director of your age group.

Check this website or call the Bad Weather Line at 281-394-8107 before heading up to fields for possible closures due to maintenance and/or wet conditions.

Fields and batting cages are generally reserved for Rec League teams and sanctioned Open League teams. The batting cages are first come, first serve.

## **Batting Cages Policy**

- If you have 4 or less players limit the usage to a maximum time of 30 minutes
- If you have your whole team limit usage to a maximum of 1 hour
- Only use one cage, unless no one else is waiting to use them.
- If you see someone isn't adhering to this policy please politely ask them to leave and if you have any issues each out to the Director on Duty or your Division Director.
- If no other teams are waiting -- "Hit Away" and "Pitch" as long as you like!

## **Practice Etiquette**

- If another team is waiting, try to leave the field a few minutes early
- Use the batting cages either before or after your scheduled field time ... not during
- Do not hold Team Meetings on the field after your practice; please get everyone off the field when your practice time is over. Conduct after-practice meetings off the field
- Use one dugout if possible so that the other team can take the other dugout before they practice.
- Let others use the bullpens if you're not using them
- Leave the field in good condition ... clean dugouts of all trash and close the gates
- Inform your field coordinator at least 48 hours in advance if you're not going to use a practice time slot.
- If you schedule a scrimmage with an outside team, make sure they bring a copy of their team insurance form
- Report any damage to the Facility Director
- Please make sure **ALL YOUR PARENTS** know they are **NOT** allowed to drive into the park for drop off or pick up!!!
