Name: Richie Benner
Role: Head Coach
Team: T-Ball (The Tee Ball Team)
Years Volunteered: 5

What does Little League mean to you?
For many families, Little League Baseball is a place where children develop life skills, character, and a love of the game while having fun. They are able to create memories with family, coaches, and teammates. These friendships can last a lifetime and they help to build and strengthen the community.

What do you hope players remember from this season?
Have fun and don't give up.

What's one thing kids learn from sports beyond the game?
Children learn how to work with others toward a common goal. They discover that success isn't just about individual performance—it's about supporting teammates, communicating, sharing responsibilities, and encouraging one another through both wins and losses. These teamwork skills often carry over into school, friendships, and later jobs, making them valuable long after the baseball season ends.

COACHES CORNER

This Week's Focus: Gear Check

TIP FOR COACHES: With Fall season just around the corner, encourage families to check gear early — gloves, cleats, and bats. A quick tune-up now saves time once practices begin.

FAST TIP: Break in Time, now's the time to break in new gloves and cleats. A few minutes each day makes game-day comfort a whole lot easier.
