Youth Soccer provides a healthy activity for our local children. Our primary goal is to expose children to organized sports, to teach the values of teamwork, sportsmanship and community, while fostering a love for the game of soccer.

Our recreational program serves approximately 120 kids a year in the spring and fall seasons. Unfortunately, there is a great expense involved in operating the association.

Our club is funded through player registration fees, fundraising as well as our newly created sponsorship program. We strive to keep our registration fees affordable for all players in our community. We can do this with the help of your generous contributions. Your tax deductible sponsorship will go toward the costs of running a quality soccer program, field maintenance, league fees, SAY/PA West membership fees, tournament fees, referee fees, and purchasing equipment.

We appreciate your consideration and hope to hear from you soon.
