

## HS referee Training Info

We are approximately a week away from our High School Referee Training event next Referee Training Saturday Jan. 28th, 2023. Rain or Shine.

If you haven't signed up already, please do so by this coming to the weekly meeting so we can confirm our lunch numbers, seating, etc.

Sign-ups can also be done on our website [nasoa.org](http://nasoa.org) under 'helpful links', clicking this link: [HS Training Sign Up](#), or by emailing Chris W or myself at [chriswiehe@hotmail.com](mailto:chriswiehe@hotmail.com) or [timholt@charter.net](mailto:timholt@charter.net)

Remember we would like all of NASOA members doing high school to sign-up for this event, even if you can only help in the morning or afternoon (currently we have less people in the afternoon).

You're also welcome to bring that 'friend who's on the fence or unsure about refereeing' to see or even try what it's like – we'll even provide lunch for them if you get them signed up.

More info on the Training is listed below.

## HS Registration

Our numbers are slowly coming up with those signing up in the last two weeks before the season begins.

However, we're not near the 100+ officials we need to cover or have 3 man crews for all of our season games – so, continue to recruit, and complete your registrations.

And if you're considering not doing HS this season, please reconsider or let Andy or myself know – 'free arm twisting' or encouragement is available for those who need it...
