NASOA General Meeting – February 26, 2023

Meeting opened at 17:01 CDT via a virtual Zoom meeting. The meeting was led by President Tim Holt.

1. Motion was made to accept the minutes from the February 15th, 2023 meeting as presented.
2. Prior to 1, it was suggested for future meetings that an email notice be sent out stating that the draft minutes are available at the NASOA website for review.
3. It was reiterated that ejection and incident/other reports are now filled out on DragonFly, but draft copies should first be submitted to Tim Holt, Andy Dye, and Robert Sullivan (for approval) prior to submitting in DragonFly. Example reports are available on the NASOA website. Ideally ejection reports should be submitted within 12 hours of the finish of the game. While this may be difficult to achieve an upper bound should be within 24 hrs.
4. To date, 3 incident reports have been filed. One was with respect to an injury on the pitch wherein an ambulance had been called to the field. Another regarded a vehicle mirror that was stolen from an official's car down in Hartselle. Other topics were discussed where incident/field reports should be submitted.
5. It was reminded that at the Coaches' & Captains' meeting that a sportsmanship speech is to be given.
6. The "floor" was then opened up so that anyone could describe/discuss any issues/problems anyone has had in the past weeks with high school games. One topic was regarding issues with spectators (parents). This is where the school admin representative is to get involved.

Motion to adjourn made and seconded. Meeting adjourned at 17:26.
