Brandi Patterson, Secretary (412) 908-0778

## **2026 CENTRAL VALLEY GIRLS YOUTH SPONSORSHIP FORM**

We are starting to plan for the 2026 Central Valley Girls Youth Softball Season and the support of our sponsors play an important role in the success of our program. We are always looking for assistance from all the local businesses in our area.

We will be utilizing our website (<https://tshq.bluesombrero.com/cvgfp/>) to encourage traffic and visibility to our website sponsors. There will be a league website, with individual team websites, as well as family websites. Your website ads will be visible across all our platforms.

Our 2025 Spring Season included 12 teams totaling 139 highly motivated girls who registered in our program. Our 2025 Fall Season brought us 7 teams totaling 90 girls. Our league continues to be one of the larger youth softball organizations in Beaver County, and we need help financially to provide these girls a safe program to learn the game of softball.

Our program includes supplying our girls with helmets, bats, balls, catchers' gear, first aid equipment, and umpires. We also provide safe playing conditions with field improvements. We also can't forget the dedicated parents that volunteer their time to help make this program such a success.

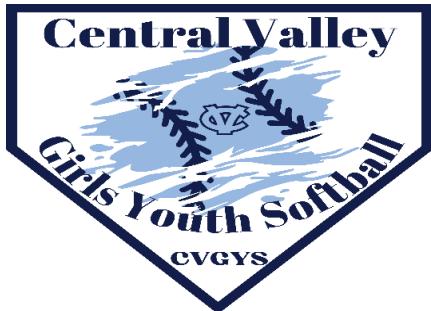

Central Valley Girls Youth Softball League is a non-for-profit organization that works with the Central Valley Varsity program. This helps us to promote fast pitch softball in our area with hopes of developing these girls for future success at higher levels of softball.

Please complete and return this sponsorship form with check payable to CVGYS and return to:

**CVGYS**  
**ATTN: Rachel McKee (Treasurer)**  
**1407 S. Elm Street**  
**Monaca, PA 15061**

Thank you in advance for your support of Central Valley Girls Youth Softball.

Sincerely,  
Central Valley Girls Youth Softball Executive Board
