

Brookfield Little League

Sponsorship Program – 2022 Season

For our Sponsors and Partners, your support provides your business with exposure to all Brookfield Little League families, fans attending games at one of our four fields, and fans and teams competing against our teams as they travel for league, playoff and all-star games. All banners and visual recognition will remain in place through the Spring, All-Star and Fall-Ball seasons. Your business will also be highlighted on the league website, social media channels and in all league-wide email communication.

In 2019, Brookfield Little League created a scholarship program, called ***Angels in the Outfield***, to provide financial aid to families in need. This program is supported by businesses and individual families at the \$150 level. No child will be denied based on their ability to pay and we expect to receive a larger amount of requests for financial aid this year than we have in previous years. Your donation to the league and this fund helps us continue to progress children's love of the game, enhance their skill levels and develop the qualities of citizenship, discipline, teamwork and physical well-being.

***Brookfield Little League** is a 100% volunteer-run non-profit organization serving more than 600 players. In 2021 we hosted several All-Star Tournaments, Clinics, Fall-Ball and everyone's favorite, The Overholt Tournament. With the recent strong support of our business community, we have made upgrades to the area around the fields at Ehlert Park (for better drainage), the bleacher area at GAV field, and upgrades to the dugouts Overholt Field.*

ALL Sponsors will be highlighted on the league website, social media channels and in all league-wide email communication.

To get involved in sponsoring Brookfield Little League please use the attached form or you can complete your form online
