#### Fall Ball Rules

Rules and Regs Committee met to adopt the CGFP rules to fall ball.

See changes as follows:

1. Add "as instructed" to Playing Field (USA Rule 2) section D Field Maintenance under Visitor to allow for different ways games scores will be reported in the various seasons.
2. Add "Registered" to players, coaches, substitutes (USA Rule 4) section A. Players to make sure substitutes are registered with CGFP, there for covered under our insurance policy before they can sub on a team.
3. Remove "This is not allowed during playoffs" from Players, coaches, substitutes (USA Rule 4) Section A. Players
4. Add "During Playoff/Championship games, one registered substitute can be added to your roster IF you need an 8<sup>th</sup> player required to start a game. All rules regarding substitute players apply." To players coaches substitutes (USA Rule 4) Section A. Players to allow a substitute to be added so the team requiring one does not need to forfeit.
5. Remove "...outfield (8U) within the first 4 innings, or" from players coaches, substitutes (USA Rule 4) Section E. Fielders/Rotation
6. Add "8U" to Players, coaches, substitutes (USA Rule 4) Section E. Fielders/Rotation to make all divisions the same. Rule states every player must play a minimum of one half inning in the in field within the first 4 innings.
7. Add "if the ejected manager/coach results in a forfeited game, the offending team will receive a loss. If both teams have an ejected manager/coach which results in a forfeited game both teams will receive a loss." To players, coaches and substitutes (USA Rule 4) section F. Coach to add consequences for ejected managers/coaches.
8. Add "Drop Dead 1:30" to The Game (USA Rule 5) section A. Playing Time /Innings to expedite the games for scheduling purposes in 8U division.
9. Remove "Games in an open inning have a" from players, coaches, substitutes (USA Rule 5) section A. Playing Time/Innings as unnecessary as Drop Dead 1:45 and stated as such in same rule for 10/12/14U.
10. Add Fall Ball to Rules Supplement so there is one set of rules for all seasons in one document. The CGFP Divisions & Playoff Supplement Rules apply to Fall Ball with the following exceptions:

\*Suspended Games: Games will NOT be rescheduled under any  
condition, including rainouts

condition, including rainouts.

\*Concerns should be sent to CGFP Fall Ball Coordinator immediately to be addressed in a timely manner.

\*Game Forfeitures: If a team cannot play a game, CGFP Fall Ball Coordinators must be notified by phone and email. Please ask for a confirmation back by email the request has been received by phone or email. The Fall Ball Coordinators will alert the opposing team and the UIC. Umpires will be paid in full for all games. In the case, the team responsible for the forfeiture will pay the Umpire \$50.00. The fee will be taken from the team's umpire deposit and must be replaced before the team can resume play.

\*Playoff Roster: Each player on your playoff roster must have played in at least 50% of your Fall Ball games on your team. Reporting of Roster Discrepancies must be made at the beginning of the game to the Fall Ball Coordinators or a member of the Board. Rosters will be kept at the Snack Bar. Any roster discrepancies will be checked against that roster.

\*Pitcher Limits: All rules as above apply UNLESS a team only has 1 pitcher on their roster. It is required that pitchers be developed throughout Fall Ball, however in some cases, that may not be possible. In those rare cases, the pitcher on those team's, may pitch the entire game. We expect honesty from our managers and request that you do your best to develop a second/third/fourth pitcher during the season.

\*Reporting of Scores: Managers of BOTH teams shall email their game scores to the UIC within 24 hours of a finished game. Failure to do so, may result in a loss for your team.

\* Umpire Fees: Each team will pay the Umpire \$25.00 in cash at the beginning of their game.

\*Game Ball: Each team will provide the Umpire with a Game Ball (Home) and a Back Up ball (Visitors). Those Balls will be returned at the end of the game.

\*Inter-league Games: Inter-league games will count for standings.

\*Playoffs: All teams will make playoffs and it is a single elimination

Ana Motioned to adopt CGFP Rules as presented by the committee. Kyle second. Board approved.

Email will go out letting managers and coaches know that all batting cages need to be cleaned after session. Machines need to be put away, balls need to be put away, and all trash should be picked up.
