

How to Sign-up to Volunteer

If you would like to sign up as a Team Manager (Head coach), Assistant Coach (any other level of coach except for Head Coach), Team Mom, or Scorekeeper, please login to the registration website and select the volunteer section. Click on volunteer roles, select the relevant season and age division, and the role desired. Click to either sign up yourself or “sign up a new user” to add a different family member. Once the form has been completed, the league will have all of the required information to register you as a volunteer with USA Softball.

The screenshot shows the Sports Connect website interface. At the top, the navigation bar includes 'Registration', 'Website', 'Orders', 'Teams', 'Reports', and 'Schedules'. A user is logged in as Gregory Roy. The left sidebar contains menu items: My Account, Calendar, Volunteer (highlighted), My Orders, Messages, Store, and Home. A red arrow points to the 'Find Volunteer Roles' button. Below this, the 'CLAIREMONT GIRLS ...' page is shown with the heading 'Looking to get involved? Here are some opportunities.' and a 'View Divisions' button. The '2024 CGFP Spring Season' is selected, showing options for 'Team Manager', 'Assistant Coach', and 'ScoreKeeper'. The 'Assistant Coach' section has two options: 'Sign up Gregory' and 'Sign up a new user', both indicated by red arrows.
