Tournament Update

Union Little League did very well in this year's District 12 Tournaments. The 10s All Star team won the District 12 Championship against Cambrian Park. They will now go on to compete in the Section 5 Tournament July 14-20 hosted by Los Gatos Little League at Baggerly Field.

Congratulations to the ULL 10s for this amazing win.

The 11s made it to the championship game, but lost to Los Gatos. Congratulations for a great follow up to last year's amazing tournament run.

The 9s and 12s tried hard, but didn't advance to the semi-finals.

The District 12 Majors 12s Tournament is being hosted by Union Little League. The championship game is tonight at 5:30 at the ULL fields with Almaden LL vs. Los Gatos LL. Thank you to all of the volunteers who have made this tournament possible.

Information for all results and information for the District 12 tournaments can be found at the various sites.

Fall Ball

Union Little League will offer a fall baseball program this fall. We will form teams for Farm, Minors, and Majors divisions. Games will be played between ULL teams and other local little leagues. Practices are typically one per week with one game on Saturday. The fall program is low stress focused on fun and development. More information for registration and dates will be available in the coming weeks.

Union Little League Juniors Division

The board and school district have approved the rehabilitation of the Junior's Field located at Union Middle School. Initial work has started planning the work and laying out the field. If you are interested in helping with this rehabilitation project, please reach out to Tony Palma (facilities@unionlittleleaguebaseball.com) so he can coordinate with you.

Union Little League has a Juniors Division available for players who are 13 and 14 years old. This is a competitive league in preparation for High School baseball. Our field for Juniors is located at Union Middle School including a snack shack, score board, and signs. We would like all families to know we offer this opportunity for players who have graduated from Majors. Registration will be in the fall and the season runs at the same time as our normal league season. If you have not already, please use the [Juniors Interest Form](#) to inform the league of your interest or ask additional questions.
