Call or text Bill Dickens (president) at (916) 842-9877

Dear Sir or Madam,

Snowline Little League is a non-profit organization that was chartered over 50 years ago. Our league has a goal to offer the opportunity for all the children in our community to learn and play baseball. However, our higher purpose is to impact the values of teamwork, and fair play to the children. These values will someday help our Little League Players become productive citizens and leaders.

Yearly sponsors are critical to our goal. Sponsorship funds are used to help with the cost of equipment, insurances, uniforms, and the field maintenance necessary to operate our baseball league. Without your generosity, annual fees for the children to play baseball would be much higher.

Snowline Little League would like to recognize your company for sponsoring our league. All sponsors will be included on the website. The attached form lists ways sponsorship can be donated. If you have an idea for a different way your business can assist our league financially, or in other ways, please let us know.

For more information on all league happenings, please visit our website at:

<http://www.snowlinell.com>

If you have any questions regarding sponsorship opportunities, contact the League President at snowlinepresident@gmail.com. The Board of Directors and the families that are a part of Snowline Little League thank you for your important contribution and support.

Sincerely,

Snowline Little League Board of Directors
