

# Oquirrh Mountain Girls Softball Registration Fact Sheet 2024

Registration will open January 6<sup>th</sup> at 12 AM and will run until February 17<sup>th</sup> at 12 AM. Once an age group is full you will be put on a waitlist, this goes for all coach picks as well, so if you are a coach pick, please sign up early to avoid not being able to play this season!!! Last spring all age groups were full by the beginning of February so please take that into consideration because none of the players that signed up on the last day of registration were able to play this year. Players trying out for high school teams will need to let a board member know by email to be added to the list to ensure your spot if you need it!! We do hold 14U and 18U registration open until March 1<sup>st</sup> to accommodate but again, we will need to have your name on a list to hold a spot for you.

**Friend requests.** We try everything within our power to honor these, but it is very difficult, so we have created guidelines to ensure that no one can “stack” a team. The guidelines are as follows. Friend requests are permitted unless the friend is a coach pick or a coach (those friend requests are thrown out) The friend request can only go two ways, meaning the friend you are requesting must request you back for the request to be honored. All three-way requests are thrown out.

**Coaches.** Are the life blood of the league, we literally cannot do it without you!! If you are considering coaching, please know we are very grateful for you!! You will be able to freeze 4 players (6 in 18U) including YOUR player!! There are lines within the registration to enter your players that you are choosing to freeze.

**Draft.** The draft is for players to attend to be assigned to a team, all players are picked. This will be held on February 24<sup>th</sup> at the OMGS fields for 8U, 10U, and 12U and March 2<sup>nd</sup> for 14U and 18U. Tee ball is not drafted, they are just assigned a team. Coach picks do not attend the draft as to avoid confusion.

**Fall Ball.** We are going to start fall ball a bit earlier this year to avoid having to go so long into the fall and to utilize the sunlight. Registration for fall will open July 1<sup>st</sup> and close July 20<sup>th</sup>. Fall ball will run from August 19<sup>th</sup> until October 19<sup>th</sup> and will be played on weeknights and Saturdays until we no longer have the sunlight in the evening, then will go to just Saturday play.

**ONE MORE THING....** In both Spring and Fall this year we had several players attempt to switch teams, for various reasons. Due to the amount of time and work the board and coaches put into creating a team and schedules we will not be able to accommodate this. No matter the case we cannot move players around after teams have been assigned.
