Greensburg Youth Baseball League

PO Box 544

Greensburg, IN 47240

The Greensburg Youth Baseball League is a not-for-profit organization that provides structure, leadership, and a positive approach for the youth of Decatur County, that desire to play the game of baseball. The GYBL registers around 380 players ages 4 – 15 each year. It is our goal to see that number grow for the 2024 season and to do so we need your help. The GYBL is funded solely on registration fees, grants, donations, and sponsorships. We have goals to provide our youth with the best possible opportunities to play baseball. In order to make the improvements that are needed to our facilities as well as making the experience better for everyone involved, your sponsorship dollars are needed. It has been through the generosity of businesses in our community and surrounding communities that have helped keep GYBL organization as an option for the youth to play baseball.

Last year with your generous donations we were able to get all our team uniforms sponsored. Your sponsorship money also allowed us to provide trophies for our league and end of year tournament winners. It also helps us to keep up with the maintenance to our fields, to purchase needed equipment and to help fund our umpires.

As a board we are proud to provide the opportunity for the youth of this community not only the ability to play the game of baseball, and an environment where they can learn life lessons such as teamwork and a good sportsmanship. However, none of this is possible without your help.

We have 3 ways in which you can choose to help our program. The first is to become a Gold Sponsor which will include having your business name placed on a banner and hung at the Sports Complex all season to promote your business. Our Second way is to become a Platinum Sponsor which will include having your business name on the front of the team jersey that is worn in the game by all players and coaches. Many of the players do continue to wear that shirt well after the season and will continue to help promote your business. The Third way is to be a Diamond sponsor which means you would take advantage of both opportunities for marketing your business, Team and Banner.

The Greensburg Youth Baseball League truly appreciates your financial support because without that support there is no way that we could continue to offer the experiences that we have for several decades. Our 2024 season will begin with registration in January. We look forward to partnering with you to make 2024 our best year yet!

Please look over the enclosed sponsorship form and reply with your form completed and the sponsorship money. If you have any questions, please do not hesitate to contact:
