Eastern Little League
SPONSORSHIP PROPOSAL

Support Eastern Little League, and connect your business with our parents, coaches and athletes.

Dear Community Partner,

On behalf of Eastern Little League from Stockton, California, we would like the opportunity to collaborate with your business and give young kids in our area great skills on and off the field. We're the proud home of 200 youth athletes who represent the next generation of our community. I'm writing to you because we rely on the support of local businesses like yours to help give every kid the chance to play the sport that they love. Sports teach our kids about the value of teamwork, dedication, and discipline while helping them build character, confidence, and friendships that will last a lifetime. You can help us continue to provide kids with these opportunities by becoming a sponsor. The parents and athletes at our club love to support the businesses that support them. This sponsorship will give you a direct connection to our club's parents, athletes, and fans where you can extend special offers, discounts, and messages of encouragement. You will find a summary of the sponsorship details enclosed with this letter. When our community works together, we win together! Thank you for your time and your consideration.

Best Regards,

Board Members of Eastern Little League
