All Star Process/Scoring - Players are scored in 4 general categories: hitting, fielding ground balls, fielding fly balls, and throwing. Each category will be scored on a scale of 1-5 with 5 being the **best possible** points allowed. Speed and Attitude/Hustle/Behavior are set up to add or deduct points from the overall score. Players are then ranked based on total scores with a score of 22 being the highest possible. In hitting coaches are looking for form, bat speed, contact point and drive of the ball off the bat. Fielding ground balls will consist how a player fielded ground balls during games/practices through-out the season. Coaches please take into consideration their form, approach to the ball, aggressiveness and accuracy. Fielding pop flies should consist of how each player fielded fly balls in the outfield and completing the play by throwing to the designated cutoff man or base. As in fielding grounders coaches are looking for the same characteristics; form, angle of approach, aggressiveness and accuracy.

Optional Pitching, evaluators should be looking at Mechanics, Ball Speed and Accuracy.
