Step Ten: Click “Next” to begin the video.

The screenshot shows a course outline on the left with five units. The main area displays a video player with a 'Welcome!' dialog box overlaid. The dialog box contains the text: 'Welcome! Navigation is simple and easy to use. Before you get started, please take a moment as we provide a tour of the interface.' A red arrow points to a blue 'Next' button in the dialog box. Another red arrow points to a 'Next' button at the bottom right of the video player. The text 'Click Here' is written in red to the right of the dialog box.

Step Eleven: Continue watching the video through all four units. At the end of each unit, you will need to pass a short quiz, which tests the material learned during that unit. There are also various points where you need to click “Next” to proceed. You cannot skip forward in the video and must watch the entire unit before proceeding to the next unit. If the webpage stops responding, refresh the page.

Step Twelve: You must take an 11 question quiz at the end of the presentation as well as provide a short course evaluation.

Step Thirteen: Once you have completed the course, print your completion certificate and submit it to your league in the manner the league specified. Each league is responsible to implement its own process for ensuring compliance with the training requirement.

The screenshot shows a 'CONGRATULATIONS on completing this course!' message. Below the message, it says 'Your completion certificate is now available in the "My Courses" section of your dashboard.' There are social media sharing options for LinkedIn, Facebook, and Twitter. A blue 'Download certificate' button is visible, with a red arrow pointing to it and the text 'Click Here' written in red.
