

2020 DJFL Covid-19 Action Plan

- A. If a player/Cheerleader has a fever then they cannot attend a practice or game until they have been fever free for 72 hours without fever reducing medication.
- B. If a child test positive for Covid-19 then the child who test positive cannot participate for 14 days. They must be fever free for 72 hours without fever reducing medication before returning.
- C. All Players should have their own water bottle with their name written on it. No sharing of water bottles at anytime. Teams will not provide team water bottles.
- D. During football games both sides of the field will be utilized to help allow fans to social distance themselves.
- E. Before each game we will read a statement about social distancing and the use of masks at our facility.
- F. Hand sanitizer will be available at the concession stand.
- G. The Concession Stand will be selling only prepackaged products. No cooking or dishing out food.
- H. Mask will be worn in the concession stand.
- I. No kids under the age of 16 will be allowed in the concession stand.

This is a plan that is subject to change at anytime if the board of the DJFL sees fit. We will be doing what is necessary to keep in the guidance of any local, state, or national mandates.
